GREEK WEEK

Amy A Cervantes

September 12th-17th, 2006

Events

Greek week was held during the second week of September this fall. Greek students compete in different events. There were many events held such as a blood drive, service day, a 5K run, ultimate Frisbee, and hayrides. Greek week is arranged by the Interfraternity council and the Panhellenic Council. "The purpose is to get all the different Greek houses together for a week long of fun and friendly competition" Andrew Arnold from the Greek Week Committee.

The Greeks showed their soft side in the fall by having a Linking Hearts Carnival. Different houses make booths for children who are up for adoption and perspective parents come and interact with the children. Penny were also held and the money raised was donated to the Junior Diabetes Research Foundation. The Greek Community Celebrates in helping the Community of Rolla.

Many Greek houses competed in the float and banner competition. Opening and closing games were held by the Airport and houses played games like soccer and volleyball. Greeks also held Idi-Odysseys at Havener, this of course included a pie eating contest.

Congratulations to the winners
of Greek week 2006: Kappa
Sigma and Zeta Tau Alpha.

HOMECOMING

Amy A Cervantes

October 20th-22nd, 2006

Events

This year's homecoming theme was "Rollawood" and everyone dressed to impress. To start off the celebration Friday there were displays of artwork and photography at Havener.

There was also an open house and an ice cream social hosted by the MSM-UMR alumni Association.

On Friday there was also a

Haunted Mine fundraiser going on at the UMR's experimental mine.

Saturday the football game began at 1pm. It was UMR vs. Southern Nazarene University. The miners won 17-4. During the half time show Homecoming King and Queen Were announced.

Margaret Thompson, a biological sciences major was named Queen. Philip Schloss, a Mechanical Engineering major, gained the title of King. Then that evening there was an Oscars Award Banquet at Havener from 5:45 to 9pm. There were also red carpet interviews of alumni by our Joan Rivers, Ms. Amanda Engelke.

FREAKER'S BALL

Amy A Cervantes

October 25th, 2006

Events

The 23rd annual Freaker's Ball is a free concert event for all of those here in Rolla round Halloween. This year Mark won the contest by dressing up like a robot. (lower right) First place won one hundred and fifty dollars. Second place received one hundred dollars. The audience votes for the contestant through their applause. Freaker's Ball was held at All Stars on Pine Street this year. It was a free

event that was sponsored by KMNR. Security was high priority for KMNR and therefore there were many KMNR workers watching out for under age drinkers. The three bands that played were PomeRoy, Te fever, and Discount Fire Arms. About 175 people attended Freaker's Ball this year.

KMNR's Kristin Rhodes expects that next year there will be more UMR students going to Freaker's ball. "It is just an event to draw out the students of Rolla" she says.

Then everyone danced the night away at another successful KMNR event.

RUMORS

Mark "DC" McNeal

November 2nd-4th, 2006

Events

The UMR Theatre Department kicked off its 2006-2007 season with the fall production of Neil Simon's hysterical comedy *Rumors*, the third Neil Simon play to be performed by the department, along side *The Odd Couple* and *Fools*. Living up to its playwright's reputation, *Rumors* keeps the audience in stitches throughout the entire performance. Whether it's the entire cast prattling about like hens over the actions of two

characters who never once appear on stage, well-timed slapstick or frequent exchanges of sarcastic diatribes, there's never a dull moment.

The play centers around a would-be anniversary celebration that just keeps taking one worse turn after another until it's evolved into a chaotic comedy of errors.

The first couple arrives to the hosts' house only to find Charlie, the husband, has unexplainably shot himself through the ear, and his wife, the cook, and butler are nowhere to be found.

Panicking, the couple attempts to protect Charlie from scandal by concocting fib after ridiculous fib to the other guests as they arrive. Unfortunately it isn't long before con-

fusion, pomp and circumstance take over as the stories increase in both numbers and embellishment, more unfortunate events occur, such as two cops showing up to investigate a car accident involving one of the couples and shots reported at the house, and everyone gets mixed up about who knows what and who told what to whom until there are so many deceptions flying around it's question-

Events

able whether or not the characters still know which way is up, let alone the audience. Then just when it seems things are finally settling as the play begins to wrap up, one last twist surfaces before the blackout as offstage one of the hosts makes a first, and unexpected "entrance" into the plot, leaving the others and the audience to wonder whether one particular yarn, out of the many spun about Charlie's situation that evening, just might actually have turned out to be true. It's a priceless theatre experience that leaves the audience exhausted from laughter. The utmost sympathies go to everyone unfortunate enough to make it to one of the productions.

POKER TOURNAMENT

Amy A Cervantes

November 3rd, 2006

SUB's Leisure and Recreation committee hosted a wonderful event during the fall. Approximately 416 people attend the Fall tournament. There were many door prizes and Grand prizes. The Grand Prizes included an i-pod nano, widescreen LCD monitor, poker table, clay poker chips, external hard drive, book store, gift certificate and 2GB flash drive. The door prizes included Octagonal poker table, poker chip set, gift certificates and poker bible. The tournament was a great stress reliever for all of those who attended.

After hours of playing the top eight table started to be formed.

The Top Eight Winners:

1st place: Jason Durbin

2nd place: Sean Smith

3rd place: Scott Johnson

4th place: Tim Gross

5th place: Christian Berens

6th place: Vaughn Sauer

7th place: Mike Laurentius

8th place: Jason Mills.

The students of Rolla played until one o'clock in the morning.

Big thank you goes out to Delta Sigma Phi for providing the dealers of the tournament.

Your time and effort was much appreciated!-Erin Duggan Director of Leisure and Recreation Committee.

LITTLE SHOP OF HORRORS

Amy A Cervantes

March 1st-3rd, 2007

Events

The spring musical put on by UMR students was anything but a horror. It was a comic story of a mutant plant that comes to earth to conquer us all. A lowly flower shop worker named Seymour dreams of one day making it big and having Audrey, Seymour's crush, love him. One day Seymour buys a mysterious plant that leads him into trouble. The plant turns out to be carnivore

and Seymour pacifies its thirst for blood by feeding it his rival, Audrey's boyfriend. Seymour then feeds the plant his boss Mr.

Mushnik and eventually Audrey as well. The plant eventually takes the life of Seymour and infests the rest of the plant.

The cast of Little Shop of Horrors convinced us all that mutant plants were a viable threat. Nate Eloie plays the shop owner, Mr. Mushnik. Adam Kay plays the shop worker Seymour.

Angela Reinholdt plays the romantic interest of Seymour a flower shop worker named Audrey. Jim Driscoll played a variety of parts that required quite a few costume changes. He played Oin Scrivello, a dentist; Skip Spence, an East Coast agent; an opportunist; and Mrs. Luce. The Trio of girls that narrated the story were portrayed by Katie Bryant, Amanda Engelke, and Michelle Rader.

The Mutant plant was played by two people. The puppeteer was Wendy King and the voice of the plants was done by Dan Marincel. The play was directed by John Woodfin with assistance from three student directors Adam Blinzler, Diana Meyers, and Katie Nisbett.

The moral of the story is don't feed mutant plants your rival, boss or girlfriend, this always leads to trouble.

Katie Bryant took the time to describe the schedule of practices for the play. They worked six days a week three hours a day four months before the play. There was also much practice on your own part on the side. When asked if she had enjoyed being in the musical she said that she would do it all over again and had enjoyed all the fun really cool people. The worst part about the musical was the time commitment and the late nights. When she was on stage she described it as hard but a rush.

CAMPUS MAN

Amy A Cervantes

March 2nd, 2007

Kappa Delta's campus Man is an annual event that raises support for Prevent child Abuse America. Eighty percent of the money raised goes to Prevent child Abuse Missouri and the rest goes to Prevent Child Abuse America. Contestants raise money by ticket sales, t-shirts, pin sales, and penny wars. This year fourteen participants from different organizations competed.

Along with raising money for the event the participants gain point in their effort to become the year's campus Man. On the night of the second contestants competed in penny wars, casual wear, beach wear, and talent. The contestants with the most points continue on to the question and answer section.

The memorable portions of the evening included a contestant with inflatable beach wear. For the talents, Mo Hajaj went as far

as to belly dance. DC McNeal, representing Kappa Kappa Psi, performed the ghost busters' theme song for his talent. While another contestant put together a short video spoof of 24. Frank Virant, representing Four North, made sandwiches with power tools for his talent.

The winner of the competition was Carlos Vega a senior in Geological engineering. He was there representing Lambda Sigma Pi.

Kappa Delta Campus Man Contestants

Frank Virant (4 North)

Aaron Attebery (Beta Sigma Psi)

Jonathan Kampunzu (Chi Omega)

Andy Guthrie (Da Vinci)

Mo Hajaj (SUB)

Charlie Frankoviglia (Toastmasters)

Devin Simms (Zeta Tau Alpha)

Jacob Sherry (Res Hall Association)

Matt House (Sigma Chi)

Adam Parker (Delta Tau Delta)

Brian Ewert (Kappa Alpha)

D.C. McNeal (Kappa Kappa Psi)

Carlos Vega (Lambda Sigma Pi)

Cody Massar (Pi Kappa Phi)

Michael Mueller (Res College Association)

INTERNATIONAL STUDENTS DAY

Amy A Cervantes

March 11th, 2007

Events

International Students Day was held in Havener Cafeteria and Lobby.

Displays were open from 10:30 to 1:30. The international buffet was open from 12 to 2. Finally the cultural show was held at 2pm.

Food from different ethnicities and backgrounds was served at the buffet. Students could pay with their school points for the buffet. The various countries represented included India, China,

Turkey, Malaysia and Jordan. International Students Day allowed students to learn about different cultures. It also helps students of different groups interact. The international Student Club organized the event with help from SUB. It is also sponsored by UMR STUCO, SUB, UMR International Affairs, Phelps County Bank and Investment Realty.

Students and Faculty showed artifacts from their native countries. The booths were set up all around Havener attracted many students. With much luck next year there will be more countries and many more cultural experiences.

There was a live band performing in the atrium of Havener. During the cultural show different students performed many dances for International Students day.

ROB PARAVONIAN

Luke Merchant

March 15th-17th, 2007

For the third year in a row, the planners of St. Pat's Alternative Programming provided a high quality program series for the students at the University of Missouri – Rolla. As in previous years, the group planning the event brought in a well-known comedian for some free entertainment as an alternative to drinking for the night. This year the comedian was Rob Paravonian.

Rob was ushered in by a brief performance by a new stand-up artist; unfortunately, he got stage fright and

was only able to utter the words “How are y’all doing tonight?” before running off-stage. Thankfully, Rob had no such problems, as he took the stage immediately afterwards and began to entertain the audience of approximately 150 students.

Rob started off, as all comedians do when they come to UMR, by getting the easy laughs and making fun of UMR. Granted, we’ve all heard the usual UMR jokes, but they’re always fun to laugh at again. Rob’s comedy style, for those of you who have never heard or seen him, consists largely of musical comedy. Rob even said during his act that he’s a “musician and a comedian...,” and his humor definitely integrated both. This was not done in an Adam Sandler type of way, but rather by being more original and making fun of things that the students at UMR would understand; in other words, nerdy things.

Rob’s comedy was very focused for this college, and overall I was quite impressed with his ability to create a comedy sketch for the students here at UMR. He integrated a vast amount of the typical “Rolla jokes” together with more technical jokes (i.e. the ones that you would get “only at UMR...”

In summation, I would highly recommend Rob Paravonian to anyone who has not heard him yet. Search Google Video for him; his comedy was refreshingly unique and different from the normal comedians who are brought to campus. Good work St. Pat’s ALT, and hopefully next year they can bring in an equally good comedian to entertain us!

ST PATS ALT!

Miles Netockny (Kate Oliver)

March 15th-17th, 2007

For those of you who do not wish to take part in alcoholic activities, wish to take a break from drinking, or don't feel like partying at 11:00 am, there are still lots of things for you to do. The University has lots of scheduled events that will be lots of fun and are pretty entertaining without the influence of alcohol. These are called St. Pat's Alternative Programs, and listed below is the schedule of these events (thanks to St. Pat's Alternative Programming committee and Jennifer Bower).

Wednesday, March 14th

10:00 pm Comedian, Rob Paravonian @ Havener

11:30 pm – 6:00 am Dodgeball @ Miner Rec

Thursday, March 15th

11:00 am Gonzo Games @ Frat Row

7:00 pm Dating Game & Movie Night @ Res College

11:00 pm Late Night Breakfast @ TJ

Friday, March 16th

11:00 am Gonzo Games @ Frat Row

9:00 pm Coronation @ Leach Theater

9:00 pm ABS Step Show @ Multipurpose

11:00 pm Poker Tournament @

TJ Cafeteria and Rayl Cafeteria

12:00 am Late Night Breakfast @ Res College

Saturday, March 17th

11:00 am Parade @ Pine Street, Rolla MO

6:00 pm St Pats Concert @ Multipurpose

8:00 pm Old Skool Game Night @ TJ S Lounge and Mac Lounge

11:00 pm Late Night Breakfast @ Holtman Lounge, Quad

CORONATION

Amy A Cervantes

March 16th, 2007

Court for the 2007: Ray Beezley, St Patrick; Daniel Kienitz, 1st Master Guard; Christopher Schwartz, 2nd Master Guard; Joshua Bliar, 1st Guard; Anna Trumble, 2nd Guard; Andrew Skaggs, Herald; Darrin Smith, 1st Page; Joe Landis, 2nd Page; Phillip

Ford, Trumpeter; Taylor Stevens, Page; Anna Kaczmarek, Page; Riley Berens, Crown Bearer; Makiah Marshal, Flower Girl; Alyson Habermehl, 2006 Queen; Lady Mary Williams, Parade Marshal; Steven Dubelman, Soloist; Sir W. Lance Haynes, Master of Ceremonies.

The coronation started with the herald making the proclamation of the entrance of the court. The ceremonies continued with the arrival of the queen and her court. Next the student honorees representing various organization were knighted. Those knighted then kissed the holy stone. Chancellor Carney along with various members of the Rolla Community were also knighted.

The major highlight of the night had to be the presentation of the new Queen. Jessica Mueller was proclaimed the centennial Queen. She had a wonderful night as she also got proposed to on stage by her boyfriend who happened to be one of the guards. With such a wonderful coronation the St. Pats Committee will have to work hard to top themselves next year.

ST. PATS PARADE

Amy A Cervantes

March 17th, 2007

This year's St Patrick's Parade started out COLD!! As it had been warm the entire week before St. Pats it was unusual that on the morning of the parade it started to snow. It snowed during the entire parade. Despite this fact, there were many students and townies lined up on the streets at 11am. During the parade there were various floats made by the Rolla students representing different organizations. As always St. Patrick and court were the first float to go along the parade route. This year's theme was

Superheros and Villains. The Ninja Turtles even made a special appearance. Most floats passed out green beads and the crowd fought for every chance of getting them. When the Budweiser Clydesdales entered the entire crowd looked in awe. The chancellor was riding in the Carriage waved at all the adoring fans.

100 alumni, students, and members of the community helped paint the streets green in the early morning.

The parade was a wonderful break from all the other activities of St. Pat's week.

ST PATS CONCERT

Luke Merchant

March 17th, 2007

Months before St. Pat's, the St. Pat's concert was being hyped up by the organizers. The show had been so hyped that it was thought to be the biggest in UMR's history; while that's not saying much, everyone that had a ticket was so excited about the show that when the doors were supposed to open at 5 PM, the line was wrapped entirely around Gale-Bullman. To the displeasure of the frostbitten line, the doors to the concert were not actually opened until 6 PM. It was easy for anyone to think at this point that it was going to be just another over hyped event and there was every indication that this was going to be a big bust even though, for at least a week beforehand, the concert had been sold out. Ben Swagman, SUB's Concerts Director, is reported as saying that they sold about 2800 tickets, of which about 40 percent were student tickets.

At 6 PM when everyone was let in, it was clear that the security wasn't messing around. They searched every person for unapproved items such as cameras and alcohol. Then to the crowd's surprise, after taking so long to get through security, the concert started promptly at 6:30. Swagman explained that the big reason that there was even an issue of opening late stemmed from the production company's trucks being pulled over at a weigh station in St. Clair due to being overweight.

Starting off the show, Modern Day Zero's set lasted about 30 minutes and was full of energy. Zach Broderick, MDZ's guitarist, charged the audience by first stepping out onto the barricade. He eventually jumped out to crowd surf with his guitar in hand with the crowd underneath him. MDZ finished off their set with a great introduction to Trapt.

After a ½ hour set change, Trapt took the stage. The audience was obviously ready for them after the long wait. They played for about an hour during which Chris Brown, Trapt's lead singer, ended up singing while being held up on the barricade by his tour manager and a member of the security force. It was fairly clear that the concert-goers were happy with the performance, as the crowd surfing really started to pick up during Trapt's.

Shinedown took the stage and fed directly off the energy that the two previous bands created. Shinedown may have only played for an hour, but the crowd seemed to embrace every minute of it. So much so, in fact, that Shinedown came out for an encore where they took requests from screaming fans. The peak moment was of course when Brent Smith, Shinedown's lead singer, went into the crowd escorted by security. Brent made it all the way up to the top of the first story bleachers and during his crowd visit he continued with the performance, really bringing the show to the people.

In closing, I think the concert overall was a great success. In the big picture, it is clear that the bar has been raised for the centennial celebration. I look forward to seeing what these organizations are going to do to top themselves next year. There were over 100 people involved in putting the concert on and they should be proud of the final product. The dedication that the organizers had really showed through; hopefully it will be the same next year. Finally, on next year's note, Swagman wouldn't give any names of bands that they were looking into, but mentioned that "the scale of next year's show depended on the success of this show. Clearly this one was a success."

GREEK SING

Milford Cubicle (Ben Williams)

April 14th, 2007

On Saturday April 14th, the Greek community at UMR came together to put on Greek Sing 2007, a night where participating fraternities and sororities each formed a band and played a couple songs for the crowd. The event was held at CJ's Uptown (formerly All-Stars Bar and Grill) and started at seven o'clock. The theme this year was "Anything Goes," which meant the bands could pick any two songs they wanted to play.

The concert was a charity event, with the participating bands collecting enough canned food to feed 1,200 families, ac-

cording to the inside of the program. The money made from the cover charges for the concert will be going towards Children's Miracle Network.

Tau Kappa Epsilon started with a simple yet solid performance of "I Do Anything" and "Rock Show" by Simple Plan and Blink 182, respectively.

Delta Sigma Phi then took the stage with one of the most dynamic performances of the night. Vocalist Tim Gowan ripped through an energetic performance of Incubus' "Anna Molly" before having a dual vocalist trade-off with John Conroy on Avenged Sevenfold's "Bat Country."

Phi Kappa Theta first performed a cover of "Party Hard" by Andrew W.K. before inexplicably changing their entire lineup for "Love Roller Coaster" by Red Hot Chili Peppers. ChiO Martha Leahy performed vocal duties for the latter song.

Pi Kappa Alpha performed next with a Finch and OAR song. "What It Is To Burn" was a very good performance, while staying true to the original. "Crazy

Game of Poker" was a fun, lighthearted song that included two dual-guitar jams. Chi Omega was next with "One Way or Another" and "I Love Rock & Roll" by Blondie and Joan Jett,

respectively.

Delta Tau Delta got the crowd into a ska mood with their take on Mighty Mighty Bosstones and Reel Big Fish. Their impressive bassist kept a good groove while the horns (consisting of a saxophone and trumpet) kept things energetic.

Kappa Alpha played next and were one of the highlights of the evening. While they played two very accurate covers (Foo Fighter's "Monkey Wrench" and Jimmy Eat World's "Bleed American"),

they also incorporated the audience into the former song and had the most interaction with them. Neither of the bands they covered are known for their technically challenging music, but Kappa Alpha did them justice with the abundance of energy they put into the performance.

Zeta Tau Alpha continued the excitement and the crowd participation with a lively set that included the most performers on stage out of any of the bands. Zeta performed "Life is a Highway" (Tom Cochran) first, followed by "What I Like About You" (Romantics), with the latter song including an enjoyable keyboard solo by Katie Buchmeier. Out of all the bands, Zeta seemed to have the most fun up on stage; whether it was because of the material they were playing or the amount of people on stage, the whole band certainly could have fooled me into thinking they've been playing shows for a while.

Sigma Chi followed with what could arguably be called the most unique performance of the evening. With the bassist in weird makeup and the dual vocalists (one male and Lisa Stine from ChiO), they definitely had a different take on Tool's "Schism" and Avenged Sevenfold's "Beast & Harlot." Particularly during the latter song, Sig Chi showed that they could really rock out and get the crowd going. The guitarist also nailed the solo in "Beast & Harlot." Sig Chi also easily had the best drumming of the night, with drummer Tom Carstens utilizing the double bass pedals like a demon.

Overall, Zeta Tau Alpha easily had the best performance among the sororities with their crowd participation and obvious enthusiasm, and they even outperformed most of the fraternities. Among fraternities, Kappa Alpha and Delta Sig were definitely the best performers, both in execution of the songs and in stage presence. I'm hard-pressed to decide on a clear winner between them. All the bands put on a great show for a great cause, and all the participating sororities and fraternities deserve a thanks for hosting yet another great Greek Sing.

BLOCK PARTY

Miles Netockny (Kate Oliver)

April 21st, 2007

Fun, games, and music filled the Havener lawn Saturday during the annual Block Party celebration, which began at 2pm and lasted until almost midnight.

The fun-filled afternoon began with several inflatable games, including an obstacle course, giant slide, sumo wrestling, boxing, and Velcro wall with accompanying Velcro suit, to entertain both UMR students and Rolla citizens.

Meanwhile many booths from other organizations were set up close-by. The physics de-

partment raised money by making liquid nitrogen ice cream and root beer while selling physics department shirts. The anime club hosted DDR competitions. The Society of Women Engineers (SWE) gave away homemade cookies while collecting donations to benefit their organization. Also, a caricature-artist drew many fun faces for those who were interested. Last, but certainly not least, a dunking tank was set up to dunk many campus leaders from RHA, SUB, StuCo, and others, charging students \$1 per 3 throws to put their skills to the test.

A karaoke van was stationed nearby to let Rollians try out their singing skills with "Rolla Idol" and entertain many others with background music.

Chartwell's hosted a delicious barbeque which included hamburgers, salad, green beans, pinto beans, tortellini, chips, and brownies.

Next, two bands took stage and provided evening entertainment. Pauline's Basement began the evening around 7:00 with some jazzy indie-rock and were followed by Building Rome around 8:00, who played some Weezer-inspired pop-punk.

The evening closed with a bang with the start of fireworks, echoing across the entire town of Rolla, and ending with a showing of Saw III outside Havener.

Volleyball Coming Fall 2007!

For all of those who have always wanted a girl's volleyball team for UMR your dreams have come true! In the fall of 2007 the first ever season of UMR girls volleyball will start. Jason Holt was named the head coach, Heather Roberts is the assistant coach and Kristine Conley is the student helper. The first scrimmage is to be held on Monday, August 20th at 7pm. The first game will be held in the Gale-Bullman Multipurpose building on Friday, September the 7th at 7pm. For more game information go to the website campus.umr.edu/sports/women/volleyball.html. Also, check out the players that have signed letters of intent to come to play volleyball at UMR. Go out and support our newest sports team at all the home games!

Why Leave Rolla When So Much Is Happening?

MANY PEOPLE, INCLUDING MYSELF, HAVE COMPLAINED THAT THERE IS NOTHING TO DO IN ROLLA. IT TURNS OUT THAT THERE ARE TONS OF THINGS TO DO, YOU JUST HAVE TO DO SOME SEARCHING TO REALLY FIND OUT THAT THERE ARE TONES OF LITTLE TREASURES HIDDEN IN THE ROUGH COUNTRYSIDE OF CENTRAL MISSOURI.

FEELING BORED? THERE ARE MANY THINGS TO DO! WHY DON'T YOU TRY:

*PLAYING BOARD GAMES IN THE MIDDLE OF THE RESIDENTIAL COLLEGE LOUNGE

*WATCHING MOVIES DURING FINALS WEEK INSTEAD OF STUDYING LIKE ONE SHOULD.

*SUPPORTING THE MINERS WHETHER IT BE SCREAMING AT THE SIDE OF THE FOOTBALL FIELD OR HECKLING THE OPPOSITION IN THE MULTIPURPOSE BUILDING.

*WRITING ON PEOPLE'S WALLS ON FACEBOOK OR EVEN BETTER, TALKING TO THEM IN PERSON.

*GOING TO ONE OF THE MANY LOCAL PARKS AND FALLING ASLEEP IN THE GRASS.

*TAKING A ROADTRIP TO A NEARBY CITY WHETHER TO SHOP FOR ANTIQUES, SPELUNK, OR ANALYZE HOW PEOPLE INTERACT IN BIG CITIES LIKE COLUMBIA, KANSAS CITY, OR ST. LOUIS.

*PAINTING ALLA POLLACK, IT'S A GREAT STRESS RELIEVER AND CAN BENEFIT MORE THAN YOURSELF.

*READING A BOOK, AFTER ALL, THERE ARE AT LEAST A FEW GOOD BOOKS OUT THERE.

*STARTING A SMALL SERVICE PROJECT, YOU'RE BUSY AND YOU'LL FEEL GOOD AT THE END OF THE DAY.

*SEEING HOW MANY MORE MOVIES YOU COULD WATCH BEFORE THE END OF THE SEMESTER USING THE *1001 MOVIES YOU SHOULD SEE BEFORE YOU DIE* BOOK.

*DRESSING UP IN A COSTUME AND RUNNING AROUND CAMPUS JUST FOR FUN.

*HELPING ORGANIZE A TOURNAMENT OF A FUN GAME (DODGEBALL, VOLLEYBALL, HALO, THE LIST IS ENDLESS).

*JOINING A NEW CLUB OR ORGANIZATION (BUT THAT'S A WHOLE OTHER SECTION).

*GOING FOR A SWIM IN THE MULTI-PURPOSE BUILDING IN THE MIDDLE OF WINTER.

*SITTING BACK RELAXING AND WORKING ON THAT FLAWLESS FARMERS TAN THAT YOU HAVE GAINED OVER THE PAST SUMMER.

*PLAYING A GAME LIKE VOLLEYBALL OUT IN THE RAIN.

*GOING DOWN TO ALLEY CATS AND RELAXING WITH A NEVER-ENDING CUP OF TEA.

*SEEING WHO'S PLAYING AT THE UPTOWN.

*LOOKING AT THE NEWLY BLOOMING FLOWERS DURING THE DAZED LATE SCHOOL MONTHS.

A Few Unforseen Disasters

POWER OUTAGES

BACK IN HIGH SCHOOL THERE WAS NOTHING BETTER THAN FINDING OUT THAT SCHOOL WAS CANCELLED FOR A DAY. IT DIDN'T MATTER WHY, IT WAS JUST A FREE DAY THAT WOULD END UP GETTING ITS SWEET REVENGE DURING THE END OF THE YEAR WHEN SENIORITIS AND SPRING FEVER HIT. RARELY IS THERE A DAY IN COLLEGE THAT THE ENTIRE COLLEGE CAMPUS RESULTS IN A NO SCHOOL DAY. WE AT UMR; HOWEVER, WERE STRUCK BY LUCK WHEN A GENERATOR FAILED ON SUNDAY NOV. 12, 2006 NIGHT WHEN A FUSE BLEW. THE NEXT DAY THE CAMPUS WAS WITHOUT POWER AND ALL CLASSES WERE CANCELED. A FREE DAY IN COLLEGE. IN THE EVENING THERE WAS A BLANKET EMAIL SENT TO ALL STUDENTS STATING THE CAUSE OF THE BLACKOUTS.

Student Life

ICE STORM

NATURE CAN BE SO BEAUTIFUL. AT THE SAME TIME, HOWEVER, NATURE CAN BE VERY DANGEROUS. ON THE WEEKEND OF FRIDAY JAN 12TH THROUGH SUNDAY JANUARY 14TH, AN ICE STORM ROLLED THROUGH THE MIDWEST AND PELTED THE ROLLA AREA WITH SHEETS OF SNOW AND SEALED IT AWAY IN ICE. MOST TREES ON CAMPUS WERE BUCKLING WITH THE WEIGHT OF THE ICE ON THEIR BRANCHES. THIS POSED A SAFETY PROBLEM IF ONE OF THE BRANCHES FELL ON THE ALREADY ICE COVERED GROUND. LANDSCAPING SERVICES WERE ASSIGNED TO CLEAR OFF AREAS OF HIGHER RISK AND CLEAN UP THE FROSTY FLORAL DEBRIS. ONE OF THE MOST EFFECTED AREA OF CAMPUS BY THE ICE STORM WAS THE QUADRANGLE WHERE THERE WERE FOUR ENTIRE EVERGREEN TREES THAT WERE UPROOTED BY THE SHEER WEIGHT OF THE ICE IN ADDITION TO LOW AND WEAK BRANCHES THAT FELL HAPHAZARDLY AROUND THE SIX BUILDINGS.

TJ FLU EPIDEMIC

MILES DETOCKAY (KATE OLIVER)

AN EPIDEMIC OF THE STOMACH FLU HIT THOMAS JEFFERSON HALL THIS WEEKEND, BEGINNING THURSDAY EVENING. AT LEAST 40 STUDENTS, AND COUNTING, HAVE BEEN IMPACTED AND HAVE SHOWN FLU-LIKE SYMPTOMS. THE FLU HAS BEEN SHOWN TO HAVE A SHELF-LIFE OF APPROXIMATELY 72 HOURS, ALTHOUGH SOME STUDENTS HAVE GOTTEN WELL BEFORE THAT TIME LIMIT.

THERE HAS BEEN SPECULATION ABOUT WHETHER THE ILLNESS IS ACTUALLY THE STOMACH FLU OR IF IT IS SOMETHING DIFFERENT SUCH AS FOOD POISONING. THE REASONING BEHIND THINKING IT MAY BE FOOD POISONING IS THAT THE OUTBREAK OCCURRED ALL AT ONCE AND VERY RAPIDLY. SOME STUDENTS THREW UP AT REGULAR INTERVALS (I.E. EVERY 30 MINUTES) AND OTHERS GOT COMPLETELY BETTER AFTER VOMITING A FEW TIMES. LASTLY, IT WAS THOUGHT TO BE SUSPICIOUS THAT ONLY THOMAS JEFFERSON HALL RESIDENTS WERE GETTING ILL, AND NOT THE RESIDENTIAL COLLEGE (WHOSE RESIDENTS PRIMARILY EAT AT HAVENER) NOR THE QUADRANGLE (WHOSE RESIDENTS PRIMARILY EAT AT EITHER RAYL OR HAVENER). RESIDENTIAL LIFE AND STUDENT AFFAIRS HAVE LOOKED INTO THIS VERY SERIOUSLY. ACCORDING TO HOSPITAL PROCEDURE, IF FOOD POISONING WAS SUSPECTED, THE HEALTH DEPARTMENT WOULD BE AT THE THOMAS JEFFERSON CAFETERIA FINDING AND RESOLVING THE PROBLEM. THE HEALTH DEPARTMENT HAS NOT BEEN CALLED, DESPITE THE AMOUNT OF TJ

RESIDENTS WHO HAVE GONE TO THE HOSPITAL THUS FAR FOR DEHYDRATION CAUSED BY THE ILLNESS. IN ADDITION, THERE HAS BEEN NO COMMON FOOD FOUND BETWEEN ALL OF THE INDIVIDUALS WHO HAVE GONE TO THE HOSPITAL (THEY ALL HAVE BEEN ASKED WHAT THEY HAVE EATEN FOR THE PAST 36 HOURS.) THIS HAS LED THE UNIVERSITY TO BELIEVE THAT IT IS A VIRAL INFECTION, WHOSE CHARACTERISTICS ARE VERY SIMILAR TO THE STOMACH FLU.

RESIDENTIAL LIFE AND CHARTWELL'S HAVE TEAMED UP TO DO THEIR PART IN HELPING KEEP HEALTHY RESIDENTS HEALTHY AND HELPING SICK RESIDENTS GET BETTER. IN THE TJ CAFETERIA, TONGS WERE MONITORED SO THAT THE HANDLE RARELY (IDEALLY NEVER) TOUCHED ANY FOOD TO KEEP DISEASE OUT OF THE FOOD. ALSO, POPSICLES WERE AVAILABLE INSTEAD OF ICE CREAM DURING FRIDAY'S LUNCH. FLU PACKS WERE MADE AVAILABLE FOR THOSE WHO WERE TOO ILL TO EAT DINNER OR GO ALL THE WAY TO HAVENER FOR DINNER. THE PACKS INCLUDE "CLEAR BROTH, JELL-O, POPSICLES, FORTIFIED JUICES, CLEAR BEVERAGES AND SODA CRACKERS" ACCORDING TO THE PRESS RELEASE SENT OUT TO THE STUDENTS. PACKS CAN EITHER BE PICKED UP AT HAVENER OR TJ, OR THEY CAN BE DELIVERED TO THE SICK RESIDENT'S ROOM.

FIRE!

MILES DETOCKNEY (KATE OLIVER) AND SYBIL (MICHAEL ORLANDO)

EARLY IN THE MORNING ON SUNDAY THE 7TH, CUSTODIAL STAFF AT THOMAS JEFFERSON HALL NOTED A DISTINCT ELECTRICAL BURNING SMELL. THEY ALERTED THEIR SUPERVISOR, AND AT 6:49 AM THE FIRE ALARM WAS PULLED, EVACUATING THE BUILDING OF ITS ROUGHLY 150 RESIDENTS. WHILE THOMAS JEFFERSON IS ABLE TO HOLD UP TO 850 STUDENTS, MANY WERE NOT YET IN THE BUILDING SINCE IT WAS A MOVE-IN DAY. A PRESS RELEASE HAS BEEN E-MAILED TO THOMAS JEFFERSON HALL RESIDENTS EXPLAINING THE INCIDENT.

ROLLA EMERGENCY SERVICES RESPONDED VERY QUICKLY TO THE ALARM, WITH THE FIRST FIRE TRUCK ARRIVING APPROXIMATELY ONE MINUTE AFTER THE ALARM WAS PULLED. WHEN ALL WAS SAID AND DONE, A TOTAL OF SEVEN FIRE TRUCKS, AN AMBULANCE, ROLLA POLICE, UMR POLICE, AND A MOBILE COMMAND CENTER HAD ARRIVED.

DURING THEIR ATTEMPTS TO LOCATE THE SOURCE OF THE SMOKE, EMERGENCY SERVICES WERE FORCED TO TEAR A HOLE IN THE KITCHEN CEILING. THE POWER TO THE BUILDING WAS CUT IN CASE THE FIRE WAS ELECTRICAL IN NATURE, AND WATER WAS SPRAYED INTO THE KITCHEN AND BASEMENT HAD BLOWN INTO AN AIR DUCT CAUSING THE PAPER AND SOME INSULATION TO BEGIN SMOLDERING. NO FLAMES RESULTED, BUT SMOKE BEGAN TO FILL THE CAFETERIA AND KITCHEN AREAS. IN ORDER TO ENSURE THE BUILDING WAS CLEAR OF STUDENTS, RESCUE PERSONNEL SWEEPED THE BUILDING, KEYING INTO STUDENT ROOMS TO ENSURE THAT THEY WERE EMPTY. AT LEAST ONE STUDENT RECEIVED A CITATION FOR FAILING TO EXIT THE BUILDING. CITATIONS ARE GIVEN TO THOSE REMAINING INSIDE BUILDINGS WITH POTENTIAL FIRES BECAUSE THOSE PEOPLES' CHOICE UNNECESSARILY RISKS FIREFIGHTERS' LIVES.

STUDENTS EXITING TJ WERE ASKED TO LEAVE THE PREMISES, SEEKING REFUGE IN THE RESIDENTIAL

COLLEGE AND VARIOUS RESTAURANTS AROUND TOWN UNTIL THEY WERE ALLOWED TO REENTER THE BUILDING AROUND 10AM. THERE WAS NO DAMAGE TO STUDENT ROOMS, AND THERE WERE NO INJURIES.

THOSE IMPACTED BY THE EVENT WERE EXTREMELY COOPERATIVE. STUDENTS WERE SEEN PROVIDING SHUTTLE SERVICES TO THE RESIDENTIAL COLLEGE, BRINGING FOOD FOR THOSE WHO REMAINED ON SITE, AND HUDDLING TOGETHER FOR WARMTH.

INTERNATIONAL TERRORISM AT UMR

NATHANIEL D'ARTAGNAN (ALEX DEMPSEY)

TUESDAY MORNING AT APPROXIMATELY 2:32 A.M., UMR PD WAS CALLED IN REFERENCE TO A UMR STUDENT THREATENING TERRORIST ACTIONS IN THE FORM OF BOMBS AND ANTHRAX. THE STUDENT IN QUESTION WAS APPREHENDED AND ARRESTED INSIDE OF THE BUTLER-CARLTON CIVIL ENGINEERING BUILDING SOON AFTER THE INCIDENT BEGAN. AFTER THE OCCURRENCE, THE BUILDING WAS EVACUATED AND 23 PEOPLE (INCLUDING 8 STUDENTS, ONE PROFESSOR, AND 14 OTHER INDIVIDUALS) WHO WERE PRESENT IN THE BUILDING AT THAT TIME WERE QUARANTINED IN THE NEARBY PHYSICS BUILDING. THE POLICE BELIEVED AT THAT TIME THEY MAY HAVE FOUND BOMB-MAKING MATERIALS IN THE FORM OF A WHITE POWDER WITHIN A CLOSE PROXIMITY OF THE STUDENT.

SINCE THIS INCIDENT HAS OCCURRED, LAW ENFORCEMENT AGENTS HAVE CONFIRMED THAT THREATS MADE BY THE STUDENT WERE IN NO WAY ACCURATE. THIS INCIDENT ESCALATED VERY QUICKLY THROUGHOUT THE DAY, BEGINNING WITH THE PRESENCE OF THE ROLLA POLICE, U.M.R. CAMPUS POLICE, THE PHELPS COUNTY SHERIFF'S DEPARTMENT, THE MISSOURI HIGHWAY PATROL, THE FEDERAL BUREAU OF INVESTIGATION, AND THE FORT LEONARD WOOD EXPLOSIVE OPERATIONS DIVISION. DUE TO THE EXTREME SEVERITY OF TERRORIST THREATS IN OUR POST-9/11 WORLD, IT BECAME APPARENT THAT THESE ORGANIZATIONS WOULD BE NEEDED HERE ON CAMPUS AND THAT THIS WOULD HAVE A RESOUNDING EFFECT ON UMR'S CAMPUS. THE FIRST OF THESE REPERCUSSIONS WAS THE EVENTUAL CANCELLATION OF CLASSES AT UMR AND THE SAINT PATRICK CATHOLIC HIGH SCHOOL. THIS IS VERY CONCERNING TO ME.

ONE OF THE ASPECTS OF THIS EVENT THAT HAS BEEN COVERED RECENTLY IS THE FACT THAT THE STUDENT IN QUESTION IS AN INTERNATIONAL GRADUATE STUDENT. THIS ISSUE HAS BEEN BROUGHT UP NOT ONLY IN MEDIA COVERAGE FROM OUTSIDE SOURCES BUT ALSO DURING THE PRESS CONFERENCES THAT OCCURRED ON TUESDAY. THIS BEGS THE QUESTION, "WHY IS IT IMPORTANT TO MENTION THE NATIONALITY OF THE STUDENT?" IT HAS BEEN MENTIONED THAT THIS STUDENT IS INDIAN, AND AS SUCH HAS BROUGHT INTO QUESTION THE FACT THAT THEY ARE INTERNATIONAL. IN ADDITION TO MENTIONING THE FACT THAT THE STUDENT WAS INTERNATIONAL, THERE HAS ALSO BEEN THE QUESTION AS TO WHETHER OR NOT THIS WOULD AFFECT THE RELATIONS OF UMR TO INTERNATIONAL STUDENTS AND WHETHER OR NOT THIS EVENT HAD ANY CONNECTION TO 9/11.

TO ASSUME THAT THIS INCIDENT INHERENTLY IS RELATED TO ETHNICITY OF THE SUSPECT IS NOT ONLY FOOLISH BUT ALSO OFFENSIVE TO THE LARGE POPULATION OF INTERNATIONAL STUDENTS HERE AT UMR.

THIS INCIDENT IS EXTREMELY SERIOUS AND COULD BE CONSIDERED A MATTER OF HOMELAND SECURITY; HOWEVER, IT IS NOT AN ISSUE THAT SHOULD REVOLVE AROUND WHETHER OR NOT THE STUDENT IN QUESTION IS FROM A FOREIGN COUNTRY. I CONTACTED THE STUDENT BODY PRESIDENT, LAUREN HUCHINGSON, AND SHE SAID "THE STUDENTS THAT I HAVE SPOKEN TO CONCERNING THE INCIDENT THAT OCCURRED TUESDAY MORNING FEEL THAT THIS ISSUE SHOULD REVOLVE SOLELY AROUND THE THREATS OF INDIVIDUAL AND COMMUNITY HARM AND NOT THE ETHNICITY OF THE STUDENT IN QUESTION AS PORTRAYED BY EXTERNAL MEDIA." I HOPE THAT STUDENTS TAKE THE TIME TO BECOME EVEN MORE FAMILIAR WITH THIS INCIDENT. HOWEVER, I WOULD ALSO ENCOURAGE EVERYONE TO KEEP IN MIND THAT ASSUMING THIS ISSUE HAD ANYTHING TO DO WITH THE RACE OF THE STUDENT IN QUESTION IS EXCEPTIONALLY CLOSE-MINDED AND DISCRIMINATORY. AS SUCH, I HOPE THAT ALL FUTURE DISCUSSION WILL FOCUS ON THE INCIDENT ITSELF, AND NOT THE ETHNICITY OF THE SUSPECT.

IN MEMORY OF CAPTAIN AMERICA

ON MARCH 7TH, 2007, READERS OF THE MARVEL SERIES *CIVIL WAR* LEARNED THAT CAPTAIN AMERICA THE EMBODIMENT OF THE AMERICAN DREAM WAS DEAD. IN THE SERIES, STEVE ROGERS (THE ALTER-EGO OF CAPTAIN AMERICA) WAS SHOT AS HE WAS WALKING UP THE STEPS TO THE COURTHOUSE WHERE HE WAS SUPPOSED TO GO TO TRIAL FOR DEFYING A SUPERHERO REGISTRATION LAW.

THE IDEA THAT SUPERHEROES DIE, DISAPPEAR, LOSE THEIR POWERS IS NOT UNCOMMON IN THE COMIC BOOK WORLD AND THE REVIVAL OF THESE SAME CHARACTERS IS ALSO NOT UNCOMMON. HOWEVER, THE READERS OF COMIC BOOKS SHOULD UNDERSTAND THAT ALL OF THE CHARACTERS IN THE COMIC BOOK UNIVERSE, JUST LIKE IN ALL LITERARY WORKS, CARRY A SYMBOLIC MEANING THAT IS MUCH MORE IMPORTANT THAN WHEN THE GOTHAM CITY WAS SAVED AGAIN OR IF THE GREEN GOBLIN WAS THWARTED YET AGAIN. THE SYMBOLISM OF THE HERO EMBODIES THE QUALITIES AND CHARACTERISTICS THAT WE ALL SHOULD STRIVE FOR. FOR THIS REASON ALONE THE DEATH OF CAPTAIN AMERICA WAS DEVASTATING.

CAPTAIN AMERICA WAS THE EMBODIMENT OF AMERICAN STRENGTH. EMERGING FROM THE CONFLICT OF WORLD WAR II, CAPTAIN AMERICA PROTECTED THE UNITED STATES FROM THE AXIS OF EVIL AND LATER EVEN FOUGHT COMMUNISM. HOWEVER, IN THE NEW MARVEL COMIC BOOK SERIES *CIVIL WAR*, AS HE CLIMBS THE STEPS TO THE COURT HOUSE, AS HE WAS ABOUT TO GO ON TRIAL, HE WAS SHOT. THE AMERICAN STRENGTH HE SYMBOLIZED HAS ENDURED FOR OVER SIXTY YEARS AND YET IN THIS AGE IT HAS SEEMED TO HAVE FALTERED.

IN AN INTERVIEW WITH CNN EXPRESSED THEIR CONCERN ON THE IMPORTANCE OF THE DEATH OF THE SUPERHERO.

MARVEL SAYS THE COMIC STORY LINE [*CIVIL WAR*] WAS INTENTIONALLY WRITTEN AS AN ALLEGORY TO CURRENT REAL-LIFE ISSUES LIKE THE PATRIOT ACT, THE WAR ON TERROR AND THE SEPTEMBER 11 ATTACKS.

"EVERY CHILD KNEW ABOUT 9/11," SAYS DAN BUCKLEY, PRESIDENT OF MARVEL COMICS. "IF [HE] COULD SEE A TV HE KNEW WHAT 9/11 WAS. THE OTHER SIMILARITIES [TO] THINGS GOING ON ARE JUST PART OF STORYTELLING."

IN TROUBLED TIMES CAPTAIN AMERICA DEFENDED US AGAINST THE THREATS AND RESTORED THE BELIEF OF THE AMERICAN DREAM. EVEN THOUGH CAPTAIN AMERICA WAS NOT AS ACTIVE IN THE LAST FEW YEARS AS HE ONCE WAS, HE STILL STOOD FOR EVERYTHING THAT HE ONCE STOOD FOR IN THE 40'S. RIGHT NOW WE ARE IN A TROUBLED TIME. THERE IS UNCERTAINTY IN THE HEARTS OF SOME AMERICANS. UNFORTUNATELY CAPTAIN AMERICA CAN'T SAVE US THIS TIME. WE AS INDIVIDUALS HAVE TO BECOME MORE LIKE THE LATE SUPERHERO AND BECOME SUPERHEROS (OR SUPERHEROINS). WE CAN LEARN FROM HIS EXAMPLE AND DRAW TO BECOME BETTER INDIVIDUALS. WE CAN BECOME THE EMBODIMENT OF AMERICAN STRENGTH. AND WITH THAT STRENGTH, WE CAN CONQUER ANY PROBLEMS THAT WE FACE, TOGETHER AS A COUNTRY.

**WE SALUTE YOU,
CAPTAIN AMERICA.**

Project X and Opening Week

ANDREW WESSEL

Student Life

picture by Bari Voss

BOTH PROJECT X AND OPENING WEEK ARE MANDATORY FOR ALL FRESHMEN AND BOTH ARE AN INTEGRAL PART OF ANY FRESHMAN'S FIRST YEAR IN COLLEGE AT THE UNIVERSITY OF MISSOURI - ROLLA. FRIENDSHIPS ARE FORGED, ENEMIES ARE IDENTIFIED, RESOURCES ARE FOUND AND EXPLOITED, AND ONE REALIZES THE NECESSARY DEPENDENCE ON ENERGY DRINKS. THIS TIME IS WHEN FRESHMEN ARE MOST VULNERABLE AND SUSCEPTABLE TO PEER PRESSURE AND WHAT OTHERS THINK. THIS ALSO HAPPENS TO BE THE TIME WHEN THE BEST OF EACH PERSON COMES OUT TO GATHER FRIENDS, DOMINATE THE COMPETITION IN THE PROJECT X COMPETITION, OR WHATEVER IS NEEDED TO BE SUCCESSFUL IN COLLEGE. OPENING WEEK ALLOWS ALL FRESHMEN TO SLIDE INTO THE COLLEGE LIFESTYLE AND ADJUST BEFORE SCHOOL ACTUALLY STARTS AND THERE WON'T BE TIME. AND WINNING A FREE MEAL WITH THE CHANCELLOR IS ALSO PRETTY COOL TOO.

An Introduction to UIMR

Student Life

TJ Pool-Less-Palooza!

ANDREW WESSEL

AS FINALS LOOMED OMINOUSLY OVER THE END OF THE SPRING SEMESTER, THE SPIRITS OF THE STUDENTS WERE NOT DAMPENED AS THEY CELEBRATED AT THE TJ POOL-LESS-PALOOZA! DUE TO CONSTRUCTION, THE POOL WAS NOT OPEN. PARTICIPANTS CELEBRATED THE SMALL PARKING LOT OF TJ WITH GIANT INFLATABLE PARTY TOYS AND FOOD IN A CARNIVAL OR SCHOOL PICNIC TYPE ATMOSPHERE. THIS JOVIAL JUBILEE ALLOWED EVERYONE TO HAVE ONE LAST FLING PRIOR TO THE END OF THE YEAR STRESSES THAT INCLUDE FINALS, MOVING, AND SUMMER WORK (OR LACK THERE OF).

Just a Few Miners Cutting Up a Rug

ANDREW WESSEL

Student Life

WHILE SOME PEOPLE JUST SAT THERE THIS YEAR AND THOUGHT TO THEMSELVES "I WISH I COULD DANCE," TWO FRESHMEN ANNE ACTON AND AMANDA KOENIG TOOK CHARGE AND CREATED A SMALL MINI ORGANIZATION THAT REMEDIED THIS LETHARGIC ATTITUDE. BACK HOME THESE TWO INDIVIDUALS TORE UP THE DANCE FLOOR WITH THEIR UNIQUE FORM OF SWING DANCING AND MISSING THIS AT UMR, THEY DECIDED TO BRING THEIR STYLE HERE. THE SWING DANCING GROUP MET TWICE A WEEK AND ANYONE, REGARDLESS OF EXPERIENCE, WAS WELCOMED WITH OPEN ARMS. DANCERS MET IN THE MULTIPURPOSE BUILDING SPECIFICALLY IN THE AEROBICS ROOM EVERY SUNDAY AND WEDNESDAY NIGHT FROM 8:00PM TO 10:00PM TO TEACH, DEVELOP, LEARN,

OR PRACTICE MORE THAN 80 DIFFERENT FEATS OF ACROBATIC SWING DANCING. ONCE DURING THE YEAR THE GROUP TOOK A FIELD TRIP UP TO THE CASA LOMA BALLROOM IN ST. LOUIS TO TRY OUT THEIR NEWLY ACQUIRED DANCING SKILLS. THIS SMALL GROUP OF HARDCORE DANCERS IS ALWAYS ENCOURAGING MORE MEMBERS TO JOIN SO IF YOU WANT TO LEARN TO DANCE OR JUST CAN'T STOP DANCING, HEAD ON OVER AND DANCE YOUR DREAMS A WAY.

"You have the emotion of a pogo-stick!"

Chinese Spring Festival

ANDREW WESSEL

Student Life

THE CHINESE SPRING FESTIVAL CELEBRATES THE LUNAR NEW YEAR AND IS THE MOST IMPORTANT FESTIVAL IN ASIA. THE CELEBRATION TYPICALLY LASTS SEVERAL DAYS IN CHINA AND IS A TIME FOR RENEWAL, GATHERING WITH FAMILY, AND PAYING RESPECT TO ANCESTORS AND ELDERS.

THE CHINESE SPRING FESTIVAL AT UMR WAS CELEBRATED ON JANUARY 29TH. THE FESTIVAL CONSISTED OF A CHINESE CULTURAL SHOW AND THEN WAS FOLLOWED BY A MEAL.

THE RANGE OF PERFORMANCES IN THE PROGRAM WERE VAST AND VERY ENTERTAINING. PERFORMERS PLAYED MUSICAL INSTRUMENTS BOTH NATIVE TO CHINA LIKE THE GUZHENG (A ZITHER TYPE INSTRUMENT) OR NOT SO NATIVE LIKE THE PIANO, ACTED IN A PLAY OF A REMADE CHINESE CLASSIC, SANG AND DANCED IN AN CHOREOGRAPHY, PERFORMED TRADITIONAL DANCES WITH SUCH ACCESSORIES AS FANS AND RIBBONS, AND DEMONSTRATED TRADITIONAL CHINESE CULTURE SUCH AS STYLES OF KUNG FU AND THE ANIMATED STORY OF A DRAGON.

AFTER THE CULTURAL SHOW, THE FESTIVITIES MOVED TO THE HAVENER CENTER. AUTHENTIC CHINESE CUISINE PROVIDED BY CHINESE STUDENTS AND SCHOLARS ASSOCIATION.

Dwali Night

MILES NETOCKNEY (KATE OLIVER)

Student Life

A SPECTACLE OF LIGHTS AND CULTURE SPARKED THE EVENING OF NOVEMBER 12TH, 2006 WHEN THE UNIVERSITY OF MISSOURI — ROLLA'S INDIA ASSOCIATION CELEBRATED DIWALI 2006.

DIWALI, LITERALLY MEANING "ROW OF LIGHTS," IS A FESTIVAL OF LIGHTS CELEBRATED BY BELIEVERS OF HINDI, JAIN, SIKH, AND BUDDHIST RELIGIONS. THE LIGHTS SYMBOLIZE THE TRIUMPH OF GOOD OVER EVIL, FOUND IN MANY OF THE RELIGIONS' STORIES. THIS CELEBRATION ALSO MARKS THE BEGINNING OF THE HINDU YEAR.

UMR'S INDIA ASSOCIATION'S DIWALI CELEBRATION STARTED OUT WITH A CULTURAL FAIR COMPRISING OF VARIOUS DANCES, MUSICAL PERFORMANCES, A FASHION SHOW, AND VIDEO CLIPS PRODUCED BY UMR'S INDIA ASSOCIATION. THE VIDEO CLIPS CAN BE SEEN ON BOTH GOOGLE VIDEO AND YOUTUBE, AND THERE ARE LINKS TO THE VIDEO CLIPS ON THE ASSOCIATION'S WEBPAGE, WWW.UMREDU/~INDIA.

DURING THE MAIN PORTION OF THE CULTURAL FAIR, THE DANCING PORTION, DANCES RANGED FROM MODERN TO FOLK STYLES, SUCH AS SOME 1950'S DANCES FROM INDIA'S CULTURE, THE BIHU DANCE — A FOLK DANCE THAT REPRESENTS YOUTHFUL PASSION, 1980'S DANCING ABOUT INDIA'S CINEMA, AND GHARBA- DANDIVA — A

LIVELY DANCE ALSO CALLED THE "DANCE OF SWORDS."

AFTER THE CULTURAL FAIR, THE CELEBRATION WASN'T OVER QUITE YET. A FIREWORK DISPLAY WAS PUT ON, FOLLOWED BY DINNER TO CELEBRATE THE EVENT.

Alpha Ball

AMY CERVAANTES

IT WAS A WET DAY OUTSIDE BUT THERE WAS A PARTY INSIDE ELK'S LODGE IN ROLLA. THE MS. BLACK AND GOLD PAGEANT WAS TAKING PLACE. AN HOUR BEFORE THE PAGEANT THE TEN CONTESTANTS WERE GETTING READY. SOME WERE PRACTICING FOR THE TALENT PORTION OF THE COMPETITION WHILE OTHERS WERE PREPARING FOR THE OPENING DANCE. THE TEN CONTESTANTS WERE COURTNEY BARBER, BROOKE BEESON, JASMINE BOYD, ANDREA HUTSON, STEPHANIE VALEZ, CHARAY CYRUS, CRYSTAL JACKSON, CYARA COLEMAN, AND EBONI CONNERS. THE TEN LADIES WERE ALL COMPETING FOR THE FIVE HUNDRED DOLLAR SCHOLARSHIP AND THE TITLE OF QUEEN. THE MEN OF ALPHA PHI ALPHA INVOLVED IN THE PAGEANT WERE DUANE ALEXANDER, CHRISTOPHER CAMPBELL, CLARENCE CHANEY, STEVEN FRANKLIN, KEENAN MILLER, ANDRE DAVIS, NICKOLAS MCFOWLAND, AND DRAMOND ASHFORD. THE GUYS PLAYED VARIOUS ROLES IN THE PAGEANT SUCH AS ESCORTS OR IN SOME CASES DANCING WITH THE LADIES.

THE EVENING STARTED WITH THE LOVELY LADIES DOING AN OPENING DANCE. NEXT THE LADIES CAME TO THE MEAT OF THE COMPETITION INCLUDING CASUAL WEAR, BUSINESS WEAR, TALENT AND FORMAL WEAR. THE HOSTS OF THE NIGHT, INCLUDING ANDRE DAVIS, TRANSITIONED VERY WELL BETWEEN THE DIFFERENT EVENTS BY HAVING RAFFLES IN BETWEEN THE EVENTS. THE TALENT COMPETITION SHOWED THE VARIOUS SIDES OF THE LADIES. COURTNEY AND ANDREA UNITED IN THEIR TALENT. WHILE ANDREA PLAYED THE PIANO COURTNEY SANG. BROOK BEESON AND EBONI CONNERS BOTH SANG FOR THE EXCITED AUDIENCE. STEPHANIE VALEZ PERFORMED BELLY DANCING TO SHAKIRA WITH ONE OF THE MEN OF ALPHA PHI ALPHA. CRYSTAL JACKSON PLAYED A WONDERFUL PIECE ON THE VIOLIN FOR HER TALENT. IN THE FINAL STAGES OF THE NIGHT THE WINNERS WERE ANNOUNCED. THIRD PLACE WENT TO EBONI CONNERS A FRESHMAN IN ELECTRICAL ENGINEERING. SECOND PLACE WENT TO STEPHANIE VALEZ A JUNIOR IN CHEMISTRY. FIRST PLACE WENT TO CRYSTAL JACKSON A FRESHMAN IN MECHANICAL ENGINEERING.

AFTER THE CROWNING OF THE 2006 QUEEN THE MEN OF ALPHA PHI ALPHA HAD A STEP SHOW. ALUMNI OF THE UNIVERSITY, UMR STUDENTS, AND FAMILY OF THE CONTESTANTS DANCED THE NIGHT AWAY.

Salsa Night

ANDREW WESSEL

JANUARY 26TH 2007 WHEN THE CAMPUS WAS STILL SUFFERING FROM THE UNUSUAL MISSOURI WEATHER INDUCED COLD SPELL, THINGS WERE HEATING UP IN THE SOUTHWESTERN BELL CULTURAL CENTER. THE SOCIETY OF HISPANIC PROFESSIONAL ENGINEERS HOSTED A SALSA NIGHT TO INTRODUCE BASIC DANCE STEPS TO THREE TYPES OF MEXICAN MUSIC: SALSA, MERENGUE, AND REGGAETON. SALSA IS A SLOWER TYPE OF DANCE WITH MUSIC SIMILAR TO A MAMBO, RUMBA OR OTHER SPANISH CUBAN MUSIC. MERENGUE MUSIC IS BASICALLY SPANISH CLUB MUSIC AND THE ACCOMPANYING DANCE IS SIMILAR TO A BALLROOM TYPE OF DANCE. REGGAETON COULD BE CALLED SPANISH HIP-HOP DUE TO THE FACT THAT IT IS A BLENDING OF REGGAE, DANCEHALL, BOMBA AND HIP-HOP MUSIC STYLES FOR A FAST PACE LATIN EXPERIENCE.

ABOUT 40 GUYS AND DOLLS SHOWED UP AND DANCED INTO THE NIGHT. A DJ BY SHPE WAS THERE TO PLAY MUSIC ALMOST NONSTOP WITH THE EXCEPTION OF ONE OR TWO INTRODUCTORY "HOW TO" SONGS. DURING THESE INTRODUCTORY SONGS, STEPHANIE VALEZ AND JACKIE NORNO DEMONSTRATED THE RUDIMENTARY STEPS AND URGED EVERYONE TO "FEEL THE RHYTHM." REGARDLESS IF EVERYONE FELT THE RHYTHM OR NOT, EVERYONE WHO SHOWED UP HAD SO MUCH FUN THAT SHPE DECIDED TO HOLD TWO MORE SALSA NIGHTS.

Tuba Christmas

ANDREW WESSEL

AS THE CHRISTMAS SEASON DRAWS NEARER FOR THE STUDENTS OF UMR THOUGHTS BEGIN TO DANCE IN THEIR HEADS. USUALLY THESE THOUGHTS ARE RELATED TO FINALS, THE MEASLY BREAK BETWEEN SEMESTERS, OR EVEN SUGAR PLUMS FOR SOME. HOWEVER FOR A SMALL GROUP OF FANATIC LOW BRASS ONLY ONE THOUGHT COMES TO MIND, TUBA CHRISTMAS. FOR THOSE WHO DON'T KNOW, TUBA CHRISTMAS IS A SMALL ENSEMBLE OF LOWER BRASS THAT GET TOGETHER DURING THE CHRISTMAS SEASON TO PLAY CHRISTMAS CAROLS FOR PASSERSBY. THIS PAST TUBA CHRISTMAS WAS HELD IN THE ATRIUM OF THE

HAVENER CENTER AND CONDUCTED BY THE TALENTED LINDA KEENEY, THE FORMIDABLE JARED SHULSE, AND THE GREAT DR. MILLER. THE CAROLS THAT THESE DEDICATED INDIVIDUALS PLAY RANGE FROM JINGLE BELLS TO GOOD KING WENCESLAS. EVERYONE WHO STOPPED BY HAVENER DURING THIS MANIFESTATION OF THE CHRISTMAS SPIRIT SEEMED TO FEEL JUST A LITTLE BIT BETTER FOR THE FINALS THAT WEEK AND THE NEW YEAR TO COME.

Sweetheart Auction

ANDREW WESSEL

THIS LAST VALENTINES DAY WHILE SOME OF US SPENT TIME WITH OUR SWEETHEARTS, OTHERS WERE SWEET ENOUGH TO BE SOLD FOR CHARITY (DON'T WORRY, IT'S LEGAL IN MISSOURI AS LONG AS IT IS FOR CHARITY). THE SWEETHEART AUCTION WAS SPONSORED BY RHA AND DELTA SIGMA PHI IN ORDER TO RAISE MONEY FOR MDA AND THE CANCER FUND OF

AMERICA. THE AUCTION STARTED PROMPTLY AT 7:00PM. EACH CONTESTANT BEING SOLD WAS ASSOCIATED WITH A DONATED ITEM FROM A LOCAL STORE OR SERVICE PROVIDER. THESE DONATIONS RANGED FROM FREE PANCAKES AT DENNY'S TO A WHOLE PIE FROM SLICE OF PIE TO A FREE TRIP TO THE ZONE. FOLLOWING CUSTOMARY AUCTIONING PROCEDURES THE FUNDRAISER WAS RUN BY AN EMCEE, NICK WILLIAMS.

SOME BIG SELLERS WERE SHAUN DIERKER WHO SOLD FOR \$41, JACOB SHERRY WHO SOLD FOR \$46, AND LEYLA GARDNER WHO SOLD FOR \$71. THE BIG SPENDER OF THE EVENING HAD TO BE BRADY MOORE, WHO BOUGHT A TOTAL OF 5 PEOPLE WORTH A TOTAL OF \$96.

THE TOTAL MONEY RAISED AFTER ALL AUCTIONING WAS COMPLETE SUMMED TO WELL OVER \$500.

Rocky Horror Picture Show

ANDREW WESSEL

ONE OF THE GREATEST CULT CLASSICS OF THIS DAY AND AGE IS NONE OTHER THAN THE ROCKY HORROR PICTURE SHOW. ORIGINALLY RELEASED IN 1975 IN THE UNITED KINGDOM, THIS TABOO FILM CROSSED THE POND TO A GREAT FAN BASE THAT ENCOMPASSED THE AVERAGE COLLEGE STUDENT. IN COMMEMORATION OF ALL HALLOWS EVE (OR MORE COMMONLY KNOWN AS HALLOWEEN) DAVINCI AND SUB PUT ON A HORRORSHOW OF A TIME (ARE THERE ANY DROOGS OUT THERE?).

TO EMULATE THE INTERACTIVE EXPERIENCE OF THE ROCKY HORROR SHOW (IT WAS A PLAY BE-

FORE A MOVIE), THE PARTICIDURING THE VIEWING OF THE MOVIE. A GOODIE BAG WAS PANTS WERE ASKED TO PERFORM CERTAIN ROLES GIVEN TO EACH MOVIE WATCHER. INSIDE THESE GOODIE BAGS THERE WERE NOISEMAKERS, TOILET PAPER, RICE, NEWSPAPER, PARTY HATS, A DECK OF CARDS, ETC... AND A CARD THAT DICTATES WHEN THESE PROPS ARE TO BE PROPERLY USED. TO ENCOURAGE AUDIENCE PARTICIPATION WITH THE CALL BACK LINES, CERTAIN LINES WERE WRITTEN ON POSTERS AND HELD UP DURING THE MOVIE. PHRASES ON THE POSTERS INCLUDED BUT WERE NOT LIMITED TO: "OH BRAD," "JANET," AND ALSO AS A COMMAND "TIME WARP." THERE WAS ALSO A CALLBACK LIST THAT INCLUDED COMMONLY USED LINES THAT EVERY

ROCKY HORROR SHOW WATCHER IS SUPPOSED TO KNOW.

CONTINUING WITH CUSTOMARY PROCEDURES FOR THE SHOWING OF THE ROCKY HORROR PICTURE SHOW, PARTICIPANTS WERE ENCOURAGED TO DRESS UP IN COSTUMES. COSTUMES RANGED FROM THE SCANTILY CLAD ROCKY, ONLY IN A PAIR OF GOLDEN SPEEDOS, TO A VAMPIRESS WHO WAS DRESSED TO KILL. FOR THE BEST MALE AND FEMALE COSTUME THERE WERE PRIZES: A COPY OF SHOCK TREATMENT (THE SEQUEL OF THE ROCKY HORROR PICTURE SHOW) AND A BUCKET OF CANDY.

Need Some Money? We Got A Job For You!

IT SEEMS TO BE A PREREQUISITE IN ORDER TO BE A COLLEGE STUDENT, YOU ALMOST HAVE TO BE POOR. WITH CAMPUS JOBS THOUGH YOU MAY NOT HAVE TO RESORT TO DECIDING WHETHER YOU NEED YOUR OWN Wii OR IF YOU WANT TO EAT FOR THE NEXT FEW WEEKS.

THERE IS A HIGH PROBABILITY THAT THERE IS A CAMPUS JOB THAT WILL SUIT AT LEAST ONE OF YOUR INTERESTS. THEY VARY FROM USHERS IN THE EXQUISITE LEACH THEATER, A PHOTOGRAPHER OR WRITER FOR THE YEAR-BOOK, (GO FIGURE), FOOD DISTRIBUTION ASSISTANT, CERTAIN PROGRAMS FOR UNDER GRADUATE RESEARCH, AND MANY MORE.

JUST FOR A TASTE OF WHAT STUDENT LIFE HAS TO OFFER VISIT
[HTTP://STUDENTLIFE.UMRE.EDU/ORGANIZATIONS/LISTING.HTML](http://STUDENTLIFE.UMRE.EDU/ORGANIZATIONS/LISTING.HTML)

Easter Egg Hunt

ANDREW WESSEL

EASTER, IT'S THE TIME OF YEAR THAT MUTANT RABBITS THAT CAN LAY CHOCOLATE AND PLASTIC EGGS ROAM FREE WHILE SMALL CHILDREN HUNT FOR BOTH THE RABBITS AND THE EGGS. THIS YEAR SOME COLLEGE STUDENTS ALSO JOINED IN THE HUNT FOR THE RAINBOW ASSORTMENT OF MUTANT EGGS. THE RABBITS MUST HAVE BEEN SENSITIVE TO LIGHT SINCE THE EVENT WAS HELD FROM 9:00PM UNTILL ROUGHLY 11:30. SUB MUST HAVE BEEN IN LEAGUE WITH THE RABBIT DON SINCE NOT ONLY WERE THEY SPONSORING THE EVENT, THEY ALSO WERE HIDING THE EGGS "UNNOTICED" AND GAVE OUT THE PRIZES FOR VOUCHERS FOUND IN THE PLASTIC OVVIDS OF MYSTERY. THE PRIZES RANGED FROM VARIOUS CANDY BARS TO BACKYARD SPORTS SETS TO THE RARE AND VERY VALUABLE NINTENDO WII.

SUB AND THOSE RABBITS DID A VERY GOOD JOB OF HIDING THE EGGS. THEY WERE LITERALLY EVERYWHERE ON CAMPUS. SOME OF THE EGGS WERE STASHED BY THE MILLENIUM ARCH AND OTHERS WERE ACROSS CAMPUS AT STONEHENGE. THE WINNING EGG WAS FOUND NEAR HARRIS HALL DOWN A DRAIN ATTACHED TO A ROPE. SOME INDIVIDUALS WERE SO THOROUGH THAT THEY EVEN CHECKED THE DRAINAGE DITCH BY THE PHYSICS BUILDING. EVEN THOUGH THEY GOT STUCK AND UMRPD WAS CALLED THEIR RESOLVE WAS LEFT INTACT. MUTANT RABBITS HAVE A SICK SENSE OF HUMOR.

The Society of Hispanic Professional Engineer's Futbolito Tournament

ANDREW WESSEL

FOR THOSE WHO DON'T KNOW WHAT FUTBOLITO IS, HERE IS A BRIEF RUNDOWN.

*FUTBOLITO IS PLAYED ON A SMALLER FIELD THAN A REGULAR FOOTBALL (OR SOCCER) FIELD. THE GOALS ARE ALSO SMALLER TO ACCOUNT FOR THE SMALLER FIELD

*THERE IS A PENALTY BOX AROUND THE GOAL FROM WHERE NO GOALS CAN BE SCORED.

*IT'S LIKE INDOOR SOCCER BUT WITH BOUNDARIES AT THE EDGE OF THE FIELD RATHER THAN NO BOUNDARIES.

FIVE TEAMS FROM ALL AROUND CAMPUS DECIDED TO COME OUT ON SATURDAY, APRIL 14TH TO COMPETE IN THE FOOTBOLITO TOURNAMENT SPONSORED BY SHPE. DUE TO RAINY CONDITIONS THAT SATURDAY, THE GAMES WERE PLAYED IN THE INDOOR SOCCER FIELD ADJACENT TO THE MULTI-PURPOSE BUILDING. OUT OF THE FIVE TEAMS THE DREAM TEAM AND GLOBAL BATTLED IT OUT IN THE END AND PROVIDED A VERY INTERESTING GAME. GLOBAL EMERGED VICTORIOUS AFTER ALL THINGS WERE SAID AND DONE.

Social Networking Sites: Good or Bad?

ANDREW WESSEL

EVERYONE KNOWS ABOUT IT: IT'S IMPOSSIBLE NOT TO KNOW WHAT FACEBOOK IS ABOUT. SOCIAL SITES SUCH AS MYSPACE OR FACEBOOK, OR EVEN BLOGGING SITES SUCH AS XANGA HAVE BECOME SO POPULAR THAT VIRTUALLY EVERYONE HAS AT LEAST ONE OF THESE ACCOUNTS. THESE SITES HAVE ALSO BECOME THE CENTER OF INTERNET SAFETY ISSUES AND EVEN MORE NEFARIOUS, THESE SITES HAVE STOLEN AN UNMENTIONABLE AMOUNT OF TIME FROM THE PEOPLE WHO USE THEM. JUST A SMALL INNOCUOUS SUGGESTION OF "OH, LET ME CHECK MY FACEBOOK," CAN RESULT IN HOURS OF WASTED TIME THAT CANNOT BE SALVAGED. AS WITH ALL OTHER SENSATIONS, THERE ARE A FEW FACEBOOK ADDICTS THAT JUST HAPPEN TO KNOW OF EVERYTHING THAT ANY PERSON MIGHT PUT UP ON THEIR WALL.

THERE ARE A FEW DIAMONDS IN THE ROUGH. FACEBOOK PROVIDES AN EASY WAY TO CONTACT PEOPLE WHEN YOU DON'T OR CANNOT EMAIL THEM. THERE ARE INSTANCES WHERE IT IS MUCH EASIER TO FACEBOOK MESSAGE SOMEONE RATHER THAN CALL OR EMAIL. FACEBOOK ALSO PROVIDES A WAY TO FIND PEOPLE IN YOUR CLASS OR PEOPLE WHO ALREADY TOOK A CLASS THAT YOU MIGHT BE STRUGGLING THROUGH. BOTH MYSPACE AND FACEBOOK ALLOW TWO PEOPLE TO KEEP IN TOUCH IN AN AESTHETICALLY PLEASING WAY WITH PICTURES, WALLS, AND MESSAGES. AND XANGA IS BASICALLY A PUBLIC JOURNAL WHERE PEOPLE CAN VENT THEIR FEELINGS WHILE STILL BEING ABLE TO TELL PEOPLE SOMETHING HOW THEY FEEL ABOUT SOMETHING IN ONE FELL SWOOP.

REGARDLESS OF HOW EVERYONE THINKS OF FACEBOOK, MYSPACE, OR XANGA, INTERNET SOCIAL SITES ARE HERE TO STAY. THEY MIGHT CHANGE THEIR APPEARANCE, RESTRICTIONS, OR OTHER SUPERFICIAL FOIBLES BUT NOTHING CAN ABOLISH THE IDEA OF SOCIAL NETWORKING ON THE INTERNET.

facebook

myspace.com®

xanga.com

The Haunted Mines

ANDREW WESSEL

Student Life

THE UMR HAUNTED MINES IS A PROGRAM PUT ON BY THE MINING DEPARTMENT TO RAISE MONEY FOR THE FIELDTRIPS FOR THE MINING DEPARTMENT. TICKETS WERE REQUIRED TO GO INTO THE MINE AND EACH WAS \$5. CANNED GOODS WERE ALSO ACCEPTED FOR CHARITY AS A DISCOUNT FOR THE MINE. EVERY YEAR THIS UNDERGROUND FRIGHT FEST IS REBUILT TOTALLY FROM SCRATCH AND EACH CONTRIBUTOR TO THE HAUNTED MINE GETS THEIR OWN SEPARATE ROOM THAT CAN BE ALTERED FROM REGULAR ROOM TO SOMETHING SINISTER.

One possible scenario might include the following:

AUTUM IS APPROACHING, AND YOU FEEL A CHILL IN THE AIR. LEAVES ARE LAZILY FALLING FROM THE TREES. THE SUN GOES DOWN AND THE DARKNESS SLOWLY ENVELOPES YOU. AHEAD OF YOU IS A CAVE. THE CAVE IS PITCH DARK. IF YOU GO IN THERE YOU ARE LIKELY TO BE EATEN BY A GRUE. YOU HEAR A LOW GROAN ECHOING FROM THE DEPTHS OF THE CAVE. YOU MUST BE CRAZY OR VERY BRAVE BECAUSE YOU DECIDE TO GO IN ANYWAY. AFTER A FEW STEPS YOU FIND A DOOR. YOU APPROACH A DOOR. YOU TRY TO OPEN IT BUT IT IS LOCKED. YOU REACH FOR YOUR RING OF SKELETON KEYS BUT SUDDENLY YOU HEAR A LOUD CRASH BEHIND YOU. YOU TURN AROUND AND YOU SEE A BLOOD COVERED ZOMBIE HOLDING A BLOODY CHAINSAW AND SOME CRANBERRIES. YOU IMMEDIATELY ABOUT FACE AND DASH FROM THE CAVE. LATER YOU HEAR A KNOCK ON YOUR DORM ROOM DOOR AND IT TURNS OUT THAT YOU STUMBLED INTO THE UMR HAUNTED MINES AND YOU DIDN'T PAY THEM. YOU REMEMBER YOU ARE A POOR COLLEGE STUDENT AND YOU PROCEED TO SCREAM IN TERROR AND RUN.

UMR Band and Orchestra Concerts

ANDREW WESSEL

WHO DOESN'T LIKE RELAXING TO THE SLIGHTLY DISCHORDANT HARMONIES OF MR. PERCY GRANGER, THE ERRATIC AND ANIMATED MOVEMENTS OF *THE BARBER OF SEVILLE - OVERTURE*, OR THE EXPRESSIVE AND TRANQUIL MELODIES OF THE *SECOND SUITE IN F* BY GUSTAV HOLST. IN ADDITION TO THESE SULTRY SOOTHING SOUNDS, FOR UMR STUDENTS THIS RELAXING TRIP IS FREE. THE FOUR UMR BANDS (SYMPHONIC BAND, CHAMBER SYMPHONIC BAND, ORCHESTRA, AND CHAMBER ORCHESTRA) EACH PLAY AROUND TWO CONCERTS EACH YEAR; ABOUT EIGHT CHANCES TO ACHIEVE A MUSICAL NIRVANA! AND IF BAND ISN'T YOUR THING, THE UMR CHAMBER CHOIR AND UMR CHOIR ALSO PERFORM ABOUT TWICE A SEMESTER.

EACH BAND CONSISTS OF ROUGHLY THIRTY MEMBERS WHILE THE ORCHESTRA CONSISTS OF ROUGHLY SIXTY MEMBERS WHO EACH DEVOTE COUNTLESS HOURS OVER THE SEMESTER TO HONE THEIR OWN PARTICULAR MUSICAL SKILLS. THE MUSIC PLAYED IS CHOSEN BY DR. MILLER, THE MUSIC DIRECTOR FOR ALL OF THE BANDS. EACH BAND PLAYS INTOXICATING MELODIES THAT ARE GUARANTEED TO GET STUCK IN YOUR HEAD. SO WHETHER YOU PREFER THE BRAZEN BRASS OR THE PECULIAR PERCUSSION OR EVEN THE WONDEROUS WOODWINDS, THERE IS SOMETHING FOR EVERYONE TO ENJOY AT THE UMR BAND AND ORCHESTRA CONCERT.

Under Construction

ANDREW WESSEL

SOME THINGS ARE UNAVOIDABLE: DEATH, TAXES, AND CONTINUAL CONSTRUCTION FOR ALL COLLEGE CAMPUS. UMR IS NO EXCEPTION TO THIS. THE NEWEST ERECTIONS SPRINGING FROM THE GROUND INCLUDE THE SECOND EDITION TO THE RESIDENTIAL COLLEGE (ALLREADY INFORMALLY CHRISTENED THE RES-CO 2) AND THE NEW MECHANICAL AND AEROSPACE ENGINEERING BUILDING TOOMEY HALL.

THE SECOND RESIDENTIAL COLLEGE IS EXPECTED TO BE COMPLETED MID TO LATE JUNE 2007. FOR STUDENTS OF THE FALL SEMESTER 2007 AND ONWARD THE NEW RESIDENTIAL COLLEGE WILL BE YET ANOTHER SPACE FOR STUDENTS TO LIVE, WORK, PLAY, AND CONGREGATE. THE RENOVATIONS FOR THE OLD MECHANICAL AND AEROSPACE ENGINEERING BUILDING INTO THE NEW TOOMEY HALL IS PROCEEDING IN TWO PHASES. PHASE I OF TOOMEY HALL IS EXPECTED TO BE COMPLETED BY AUGUST 16TH 2007. THIS IS THE VISIBLE RAZING AND BUILDING THAT WAS SEEN ALL THIS YEAR. THE SECOND PHASE OF TOOMEY HALL IS EXPECTED TO BE COMPLETED SEPTEMBER 9TH 2008. THIS WILL INCLUDE THE UPGRADING OF THE REMAINING PORTION OF THE MECHANICAL AND AEROSPACE ENGINEERING BUILDING.

RESIDENTIAL COLLEGE #2

TOOMEY HALL

What's In A Name?

OVER THE COURSE OF THE THE 2006-2007 SCHOOL YEAR THERE WAS MUCH DISCUSSION OVER THE NAME OF THE UNIVERSITY OF MISSOURI - ROLLA. CHANCELLOR CARNEY III PROPOSED THE NEW NAME FOR THE UNIVERSITY. THERE WERE MANY REASONS FOR THE CHANGE:

TO DISTINGUISH UMR FROM THE OTHER UNIVERSITY OF MISSOURI CAMPUSES. AMONG THE FOUR UNIVERSITY OF MISSOURI CAMPUSES, THE UNIVERSITY OF MISSOURI-ROLLA IS UNIQUE BECAUSE OF ITS FOCUS AS A TECHNOLOGICAL RESEARCH UNIVERSITY. THE UNIVERSITY'S NAME, HOWEVER, DOES NOT REFLECT THE DISTINCTIVE NATURE OF THE CAMPUS. OFTEN, UMR IS VIEWED AS A

"SATELLITE" OR "BRANCH" CAMPUS DUE TO ITS NAME OR AS A "FEEDER" CAMPUS FOR THE UNIVERSITY OF MISSOURI-COLUMBIA (COMMONLY REFERRED TO AS THE UNIVERSITY OF MISSOURI)

TO REFLECT THE UNIVERSITY'S NATIONAL MISSION. THE GOAL OF UMR'S STRATEGIC ACTION PLAN IS TO MAKE UMR ONE OF THE NATION'S TOP FIVE TECHNOLOGICAL RESEARCH UNIVERSITIES BY 2010. MANY OF OUR "COMPARATORS" POSSESS NAMES THAT BETTER REFLECT THEIR MISSION. UNIVERSITIES SUCH AS CALIFORNIA INSTITUTE OF TECHNOLOGY, MASSACHUSETTS INSTITUTE OF TECHNOLOGY, RENSSELAER POLYTECHNIC INSTITUTE AND GEORGIA INSTITUTE OF TECHNOLOGY ALL HAVE NAMES THAT REFLECT THEIR MISSION.

TO BROADEN OUR MARKET SHARE FOR THE BEST STUDENTS NATIONALLY. INTEREST IN ENGINEERING CONTINUES TO DECLINE ON A NATIONAL LEVEL. CURRENTLY, LESS THAN FIVE PERCENT OF COLLEGE-BOUND HIGH SCHOOL SENIORS EXPRESS AN INTEREST IN ENGINEERING. COMPOUNDING THIS PROBLEM FOR UMR, THE NUMBER OF HIGH SCHOOL GRADUATES IN MISSOURI WILL DECLINE BY AROUND TEN PERCENT BETWEEN 2010 AND 2013. MORE THAN SEVENTY FIVE PERCENT OF UMR STUDENTS TRADITIONALLY COME FROM MISSOURI, WITH THE REMAINDER COMING MOSTLY FROM CONTIGUOUS STATES. THE SHIFTING DEMOGRAPHICS AND DECLINING STUDENT INTEREST IN ENGINEERING AND SCIENCE THREATEN UMR'S FUTURE VIABILITY. A NAME THAT IS MORE DESCRIPTIVE OF OUR FOCUS IN SCIENCE AND TECHNOLOGY WILL HELP US ATTRACT THE STUDENTS INTERESTED IN SUCH AN EDUCATION.

TO ENHANCE THE UNIVERSITY'S REPUTATION. WHILE UMR IS KNOWN IN THE MIDWEST AND IN SPECIALIZED CIRCLES FOR ITS ACADEMIC EXCELLENCE, IT IS LESS WELL KNOWN ON A NATIONAL AND INTERNATIONAL SCALE. BEYOND THE MIDWEST, PROSPECTIVE STUDENTS OFTEN VIEW UMR AS A

BRANCH CAMPUS. ONE INDICATOR OF THIS LACK OF VISIBILITY CAN BE SEEN IN THE NUMBER OF ACT SCORES UMR RECEIVES FROM HIGH SCHOOL SENIORS OUTSIDE OF MISSOURI. *OF THE 11 MILLION SENIORS IN THE NATION WHO TOOK THE ACT IN 2006, ONLY 551 NON-MISSOURI SENIORS — OR .05 PERCENT — SENT THEIR SCORES TO UMR.* A MORE DISTINCTIVE, MISSION-BASED NAME WOULD MORE EASILY ACHIEVE NATIONAL VISIBILITY FOR BOTH OUR RECRUITING EFFORTS AND OUR RESEARCH PROGRAMS. THIS INCREASED VISIBILITY WOULD IN TURN LEAD TO STRONGER GRADUATE PROGRAMS AND ADDITIONAL RESEARCH FUNDING.

ON APRIL 6, 2007, THE UNIVERSITY OF MISSOURI BOARD OF CURATORS APPROVED UMR'S PROPOSAL TO CHANGE OUR NAME TO MISSOURI UNIVERSITY OF SCIENCE AND TECHNOLOGY — MISSOURI S&T FOR SHORT. THE NEW NAME WILL TAKE EFFECT ON JAN. 1, 2008.

Tips for students? Share your talents.

Favorite Class to teach? 400 Preparations for Active Duty

Army

ROTC

1st Row: Ms Carmen Stites-Tuttle, and Ms. Gwen Bohannon. 2nd Row: MSG Harry Howery, Mr Mark Hinkle, LTC Joseph Herdade, CPT Chad Pense and SFC Ramon Bonilla

Ramon Bonillia

Pet Peeves? Weapon on Safe, Finger off the Trigger.

Why did you decide to teach at UMR? The army told me to.

Arts, Languages, And Philosophy

1st Row: Dr. Gerald Cohen, Ms. Shelly Plank, and Dr. Adam Potthast 2nd Row: Dr. Jim Bogan, Dr. Tony Houston, Dr. Dick Miller, Dr. Irina Ivliyeva, Dr. Don Miller, Dr. Luce Myers

Gerald Cohen

Pet peeves? None that I can think of; life is too short for such hang-ups

What research do you do? Etymology: story behind "gung ho", origin of "hot dog", interesting Missouri place names (e.g. Peculiar, Tightwad, Devil's Elbow), etc.

Biological Sciences

1st Row: Dr. Katie Shannon, Dr. Robert Aronstam, Dr. Tonye Numbere, and Dr. Anne Maglia 2nd Row: Dr. Nathan Chen, Dr. Terry Wilson, Dr. David Westenberg, Dr. Ronald Frank, Dr. Dev Niyogi, Dr. Roger Brown, and Dr. Yue-wern Huang. Not Pictured: Dr. Melanie Mormile

Dev Niyogi

Where did you go to College? Swarthmore College

Pet peeves? Quibbling about grades.

Business Administration

1st Row: Dr. Joseph Bradley, Dr. Stephanie Fitch, Dr. Chihmao Hsieh, and Dr. Julie Patock-Peckham 2nd Row: Drs. Bih-Ru Lea, Sundar Srinivasan, Lian Qi, Caroline Fisher, Hong Sheng. Not Pictured: Dr. Lance Gentry and Dr. Morris Kalliny.

Julie Patock-Peckham

What research do you do? I study how difference persuasion tactics can be used to prevent risky behavior or to sell a product. I also do a lot of work in the area of college drinking behaviors.

Chemical And Biological Engineering

1st Row: Dr. David B. Henthorn, Dr. Yangchuan Xing, Dr. Kimberly H. Henthorn, Dr. Craig D. Adams 2nd Row: Dr. Jee-Ching Wang, Dr. Kai-Tak Wan, Dr. Douglas K. Ludlow

Douglas Ludlow

How long have you been at UMR? Since 1996

Why did you decide to teach at the college level? I enjoyed being a student. Also a fountain of youth, I am always dealing with people the same ages so I do not feel like I am getting any older.

Chemistry Department

1st Row: Dr. Philip Whitefield, Dr. Klaus Woelk, Dr. Thomas Schuman, Dr. Nuran Ercal, and Dr. David Hoiness 2nd Row: Dr. Paul Nam, Dr. Prakash Reddy, Dr. Terry Bone, Dr. Cynthia Bolon, Dr. Yinfu Ma, Dr. Jeffrey Winarz, Dr. Joseph Counsil, Dr. Pericles Stavropoulos, Dr. Frank Blum, and Dr. Tadashi Tokuhiro.

Nuran Ercal

What do you miss about being a student? Hanging out with my friends.

Why did you decide to teach at the college level? As long as I teach I don't care where I teach.

Civil, Architectural, And Environmental Engineering

1st Row: Dr. Jerry Bayless, and Dr. Craig Adams. 2nd Row: Dr. Roger LaBoube. 3rd Row: Dr. Ronaldo Luna, Dr. Mark Fitch, Dr. Charles Morris. 4th Row: Dr. Jianmin Wang, Dr. Glenn Morrison, and Dr. Yu-ning Ge. 5th Row: Dr. John Myers, Dr. Joel Burken, and Dr. Stuart Bau. 6th Row: Dr. Cesar Mendoza, Ghulam Bham, and Dr. Richard Stephenson. Row 7th: Dr. Eric Showalter, and Dr. Harold Wagner.

Ronaldo Luna

Interests besides school? Squash and soccer, traveling and family.
Any tips for students? Keep on smiling and bring it to class.

Computer Science

1st Row: Dr. Chaman Sabharwal, Dr. Fikret Ercal, Dr. Dave Mentis, and Dr. Bruce McMillin 2nd Row: Dr. Maggie Cheng, Dr. Frank Liu, Dr. Daniel Tauritz, Dr. Ralph Wilkerson, Dr. Mayur Thakur, and Dr. Clayton Price

Fikret Ercal

Where did you go to school? Istanbul, Turkey

What do you miss about being a student? Freedom to wake up anytime in the morning. Sitting in a café and playing bridge with friends during the day time.

Electrical and Computer Engineering

1st Row: Dr. Minsu Choi, Dr. Sahra Sedighsarvestani, Dr. Cheng-Hsiao Wu, and Dr. Yahong Rosa Zheng 2nd Row: Dr Donald Wunsch II, Dr Waleed Al-Assadi, Dr. Richard DuBroff, Dr Bijaya Shrestha, Dr Keith Corzine, and Dr Reza Zoughi. 3rd Row: Dr Randy Moss, Dr Scott Smith, Dr. R Joe Stanley, and Dr. Daryle Beetner. 4th Row: Dr Ganesh Kumar Venayagamoorthy, Dr Steven Watkins, Dr Kelvin Erickson, and Dr James Drwniak. 5th Row: Dr Chang -So Kim, Dr Mehadi Ferdowsi, Dr Hai Xiao and Dr Badrul Chowdhury.

Rosa Zheng

Any tips for students? In engineering, ideas are cheap. You have to show that your great idea works.

Interests besides school? Family life, Gardening, and Playing Badminton

Engineering Management

1st Row: Dr. Duke Dow, Dr. Bill Daughton, and Dr. Hal Nystrom 2nd Row: Dr. Eric Smith, Dr. Don Higginbotham, Dr. Don Myers, and Dr. Chung-Li Tseng 3rd Row: Dr. Dave Enke, Dr. Cihan Dagli, Dr. Ray Luechtefeld, and Dr. Dave Spurlock 4th Row: Dr. Ken Ragsdell, and Dr. Steve Raper

Scott Grasman

Pet peeves? Loud Eaters

Why did you decide to teach? It is rewarding to see students make career decisions.

What research do you do? Modeling and analysis of supply chains.

English And Technical Communication

1st Row: Dr. Kristine Swenson, Dr. Kathy Northcut, and Dr. Kate Drowne 2nd Row: Dr. Gene Doty, Mrs. Linda Sands, Dr. Anne Cotterill, Dr. Jack Morgan, and Dr. Ed Malone

Kristine Swenson

Favorite class to teach? Contemporary British Literature- because I get to read all new stuff [...], it's spontaneous, fun and a little risky. What do you miss about being a student? I LOVED being a student. I loved new sets of books each semester, I loved taking notes, I loved exams (how sick is that?).

Geological Sciences And Engineering

1st Row: Dr. Jeff Cawfield, Dr Curt Elmore, and Dr Daopu Numbere 2nd Row: Dr Mohamed Abdelsalam, Dr. David Wronkiewicz, and Dr Leslie Gertsch. 3rd Row: Dr Nobert Maerz, Dr. Robert Laudon, Dr. Shari Dunn-norman, Dr. John Hogan, Dr. Kelly Liu, and Dr. Stephen Gao Not Pictured: Dr. Neil Anderson, Dr. David Rogers, Dr. Mike Whitworth, Dr. Baojun Bai and Dr. Francisca Obboh-Ikuenobe.

John P. Hogan, "Rock Whisperer"

How long have you been at UMR? Nine years.

Comment: Rocks have been very good to me.

History And Political Science

1st Row: Dr. Petra DeWitt, Dr. Shannon Fogg, Dr. Russ Buhite, and Dr. Diana Ahmad 2nd Row: Dr. Tseggai Isaac, Dr. Larry Gragg, Dr. Jeff Schramm, Dr. Patrick Huber, and Dr. John McManus

Diana Ahmad

What do you miss about being a student? Nothing, as a professor I get to study the same things I did as a student AND get paid for it!

Interests besides school? Travel to the Pacific

Information Science And Technology

Dr. Sundara Srinivasan, Dr. William Kehr, Dr. Sarah Sedigh-Ali, Dr. Barry Flachsbart, Dr. Vincent Yu, Dr. Richard Hall, and Dr. Hong Sheng

Bill Kehr

Tips for students? Be cool; learn what you can; try to schedule your time so you don't get behind.

Interests besides school? Music, motorcycles, gardening, and photography.

Interdisciplinary Engineering

1st Row: Dr. Ralph Flori, Dr. Katie Grantham-Lough, Dr. Carla Campbell, and Dr. Doug Carroll 2nd Row: Dr. Jeff Thomas, Dr. Patricia Robertson, Dr. Cari Bryant, and Dr. Ron Fannin 3rd Row: Dr. Tim Philpot, Dr. Matt Bohm, and Dr. Shun Takai

Matt Bohm

What do you miss about being a student? Wearing jeans with holes in them, being irresponsible, and going out almost every night of the week.

Note: I always chuckle when a student answers "42" on a test question...That usually earns them a few mercy points.

Memories...

Frank Blum:

Bill Gates said- If you think your teacher is hard on you, wait till you get a boss!- I try hard to prepare students for some real life situations, most of them get it.

Ralph Flori:

...I taught two years as a lecturer in the UMR petroleum Engrg Dept. One of the courses I taught was a fluid properties class. All semester two students in particular had engaged in a lot of fun banter with me. One day, when we were talking about vapor pressure, they asked me in jest about the vapor pressure of milk. I remembered that and prepared two final exams which had an additional question asking for the vapor pressure of milk at some temperature. When I passed out the final exams, I made sure those two students got those two exams. It was all in fun; you should have seen the look on their faces when they got to that question.

Robert Roe:

As a graduate student I was teaching a first semester calculus course. Just a few minutes after handing out the final exam for the course one of my students, who had struggled most of the semester, turned in his exam paper. Most of the questions were blank except for one where I asked the students to state the Fundamental Theorem of Calculus. On this question the student answered: "if you don't do your homework you don't pass Calculus."

Douglas Ludlow:

Question: what is $(AP_{\pi})^t$

Answer: "a piece of pie raised to the teeth"

Bill Kehr:

One of my students suggested one time that both students and teachers sometimes need a break- it's a rule I live by.

Jonathan Hines:

I found one conversation to be extremely ironic. Several women were agreeing emphatically with each other that women are as capable, if not more so, of doing math, science, and engineering work as men; and to think or say otherwise is discriminator or bigotry. The conversation then moved on to another area of agreement they had, which I found to be quite amusing, that UMR needs to offer more non-technical courses to attract more women as students.

Larry Grayson:

One very good student asked me the following question, which blew my mind, "what is the minimum I have to do to get an 'A' in this course?"

Material Science And Engineering

1st Row: Dr. Bob Schwartz, Dr. Scott Miller, Dr. Wayne Heebner, Dr. Joe Netwkirt, Dr. Make Schlesinger, Dr. Dic Brow, Dr Bill Fahrengoltz, and Dr Fatih Dogan. 2nd Row: Dr Greg Hilmas, Dr. Rajiv Mishra, Dr. Matt O'Keefe, Dr. Ron Kohser, Dr. David VanAlen, Dr. Jeff Smith, Dr. Kent Peaslee, Dr. Von Richards.

Kent Peaslee

Pet peeves? Disorganization.

Why did you decide to teach at the college level? I love learning and teaching and metallurgy- those loves led me to a PH.D and then a career change to teaching at the college level.

Math And Statistics

1st. Dr. Morgan, Ms. Kim Kinder, and Dr Vy Le 2nd Row: Dr David Leach, Dr David Grow, and Dr. David Drain. 3rd Row: Dr. Roman Dwilewicz, Dr. Meggie Wen , Dr. Leon Hall, and Dr. Martin Bohner. 4th Row: Dr. Roger Hering, Ms. Mary Kirgan, Dr. Miron Bekker, Dr. Evan Akin-Bohner. 5th Row: Dr. Steve Clar, Dr. Robert Roe, Dr. Matt Insall, and Dr. V.A. Samaranayake.

Robert Roe

How long have you been teaching at UMR? 18 years

Tips for students: Think, don't just memorize.

Mining Engineering

Dr. Larry Grayson, Dr. Lee W. Saperstein, Dr. David Summers, Dr. Samuel Frimpong, Dr. Derek Apel and Dr. Greg Galecki

Paul Worsey

Pet Peeves? My son and Administrative bull crap.

What do you miss about being a student? Not having to give a damn about being politically correct.

Where did you go to school? England where they have a civilized drinking age.

Nuclear Engineering

Dr. Arvind Kumar, Dr. Gary Mueller, Dr. Seungjin Kim, and Dr. Jeffrey King Not Pictured: Dr. Usman

Pictured above: nuclear reactor

Psychology Department

Ms. Donna Cogell, Merilee Krueger, Dr. Patock, Dr. Montgomery, Dr. Haemmerlie, Dr. Canu, Dr. Nelson, Dr. Martin and Dr. Sharpsteen

Pictured above: One of the oldest buildings on Campus:
Norwood Hall.

Physical Education

1st. Row: Mr Mark Mullin, Ms. Sarah Moore, and Mr. Russell Yap. 2nd Row: Mr. Jon Kiester, Ms. Pam Hemme, and Mr. Dale Martin. 3rd Row: Mr Ryan Murphy, Ms. Patti Peterson, and Mr. Don Kennedy. 4th Row: Mr. Vince Darnell, Mrs. Sue Melton, Mr. Chris Coker, and Mr. Bryan Schiding. 5th Row: Mr. Sterlings Martin, and Ms. Debbie Hickey. 6th Row: Mr. Kirby Cannon, Mr. John Kean, and Mr. Alan Eads.

Pictured above: the first academic building on campus: the Rolla building.

Physics Department

1st Row: Dr. Massimo Bertino, Dr. Paul Parris, and Dr. Gerald Wilemski 2nd Row: Dr John Schmitt, Dr Thomas Vojta, Dr Sebastain Otranto, and Dr Don Hagen. 3rd Row: Dr. Oran A Pringle, Dr. Oscar De Lucia Morales, Dr. Jerry Peacher. 4th Row: Dr. Julia Medvedeva, Dr. Don Madison, Dr. Ronald Bieniek. 5th Row: Dr. Dan Waddill, Dr Michael Schulz and Dr. Ralph Alexander.

Pictured above: The physics building. Sink or swim for all engineers on campus.

Do You Ever Feel Like Hitting Your Teacher With A Pie?

Well most students do at some point in time. In the fall of 2006, relaxation day allowed some students to pie their teachers. Right before finals, luck students got to make and pi participating teachers.

Academics

This should become a national sport! I think we can rally support! Think about it...pie preparation would be 30 percent of the score, technique of throwing 50 percent. Amount of splatter

would be the remaining 20. In a perfect world we would be able to pie teachers when given bad grades, but I guess a controlled environment will have to do.

Answers to page 175: Bayless and Ghuma; Archie; Stephenson and Flachbart; Batman; Grassman; Superman; Northcut; Peanut; Rogers; Mad; McManus; Sergeant Rock; Bohner; Asterix Obelix.

Best New Professor: Katie Grantham-Lough

Education: Bs and Ms Degrees in Aerospace Engineering. PHD in Mechanical Engineering all from UMR.

Hometown: Caruthersville Missouri.

Experience: has worked for companies such as Ford, NASA, 21st Century Systems and Boeing.

She is often mistaken for a student by other faculty and university officials that have not met her.

Dr. Lough decided to teaching the Interdisciplinary Engineering Department (IDE) because different things happen everyday. Also because there are new ideas and designs everywhere. She loves to teach 100-400 level classes, including some co-listed with systems engineering. The students always looking forward to developing new technologies. Currently

one of Dr. Lough's classes are building a walker for a child in Mexico City with a disability. The design is intend to all the child to function as normal as possible.

When asked if she preferred to teach or research she answered, "It depends on my mood whether I'm extroverted or introverted that day."

"for my future plans I'm scheduled to speak in Hawaii and Colorado over spring break."

With every class she teachers, Dr. Lough brings a smile and a great attitude. When professors are excited about what they teach it shows.

The IDE department name although relatively new the actual department has always been around as basic engineering. The department has to have graduates before they can become ABET (accreditation Board for Engineering and Technology) accredited, but with this semester's graduating class they are prepared to apply.

Four Noted Professors

Donald Wunsch II

Electrical Engineering Professor since 1999

What do you miss about being a student? I'm still a student. I always will be a student. One should never stop thinking of oneself as a student.

Tips for students? There are over a billion people on this planet who would love to change places with you. Be thankful for this opportunity.

Interests outside of school? My faith and family are tops. Then come travel, reading, photograph, and enjoying cultural events and music.

Tink Sullivan

Air Force ROTC

Professor

Pet peeves? Silly Questions.

Favorite class to teach? History of Airpower. What is not to like-I get to talk about airplanes and flying all the time.

What do you miss about being a student? Asking silly questions. Any tips for students? Put down the video games and study!

Research? Defining the universe.

Comment: Only at UMR can you give an integral for a bonus question on a history test and everyone in the class gets it correct.

Stephanie Fitch

Business Department Professor since 1997

What do you miss about being a student? I miss being bombarded with new experiences: new friends, new course material, new living arrangements...I remembers college as a very life-changing, eye-opening experience.

Interests outside of school? My favorite avocations are gourmet cooking (and eating), ballroom dancing, football, sudoku, crosswords, sailing, and travel.

Tony Huston

Spanish Professor since 2006

Pet Peeves? The obsession with grades. What is your favorite class to teach? Beginning Spanish. Any tips for students? Find meaning in your studies.

Why did you decide to teach at the college

level? I prefer dealing with adults.

Interests besides School? Sinning, dancing and acting.

What do you expect from
teachers?:

Speak English

Commencement

December 16th, 2006

Commencement is a start of new lives. This year's winter graduating class of 2006 will have plenty to enjoy. Every memory of ice storms, Physics 23, pesky freshman, and St. Pat's will linger in the lives of these UMR Graduates.

Congratulations to the class of 2006. May you achieve everything you dream of and have more then you would ever imagine.

Good luck and you are always welcome here in Rolla.

Commencement

May 12th, 2007

Seniors

On May 12th the UMR class of 2006 Graduated. This may commencement was unusual because the Commencement was split into two groups. The first was the Undergraduate commencement it took place at the UMR Multipurpose center. At 11a.m. The second commencement for graduate students took place at Leach Theater at 3pm. This gave enough time for all of those

attending commencement to have plenty of time between ceremonies. Due to a record number of graduating classes the ceremonies will continue to be separated.

This year's Commencement address was presented by Calvin B. Cobb of Calvin Cobb and Company.

Grad Finale

Seniors

December 13th, 2006

Every December and May the MSM-UMR Alumni association helps the UMR graduates have a final good bye with all of their fellow graduates. The Alumni association provides prizes, food, and free beer to all those graduating. More importantly the

Alumni association gets to introduce the idea of giving back to the University. Giving back to an institution that has so many dear memories for its graduates is very important. UMR graduates donate millions of dollars a year to further the education of the younger generations. For this to continue the Alumni association hosts Grad Finale.

Find your future at HBE.

"I would recommend HBE to anyone interested in pursuing a construction related field," says John Kelton, Rolla grad and HBE Assistant Project Manager. "Working for HBE presents new and interesting challenges everyday," adds Brett Goodman, Rolla grad and HBE Chief Engineer.

We're a nationwide provider of design and construction for hospitals, medical buildings, and financial facilities. HBE is annually ranked among the top design-build firms by Engineering News Record and a great place to build your career.

An Equal Opportunity Employer M/F/D/V

Associated Electric Cooperative Inc. (AECI) is owned by and provides wholesale power to six regional and 51 local electric cooperative systems in Missouri, southeast Iowa and northeast Oklahoma that serve more than 850,000 customers. AECI's mission is to provide an economical and reliable power supply and support services to its members.

Associated headquarters is located in Springfield, Mo., and employs about 170 persons. Headquarters has seven corporate divisions: Accounting & Finance, Information Services (computer services/technology), Engineering & Operations (electrical and mechanical), Human Resources, Member Services & Corporate Communications (public relations, graphic design, economic development), Power Production (electrical and mechanical) and Executive (general manager, internal audit).

The Thomas Hill Energy Center, located in north-central Mo., employs about 260 persons. The New Madrid Power Plant, located in southeast Mo., employs about 200 persons. Both of these coal-based power plants offer employment for mechanical, electrical, chemical and civil engineers as well as instrument technicians, electricians, mechanics, heavy equipment operators, auxiliary operators and general laborers.

Associated Electric offers excellent traditional benefits and others targeted more specifically to our employees. Our salaries are market-based and competitive in the region.

To learn more about Associated visit our Web site at www.aeci.org.
